29th MEETING OF THE GOVERNING BODY OF
NARSIMHA REDDY ENGINEERING COLLEGE
SECUNDERABAD

Governing Body Members:

1.	Sri. J.Narsimha Reddy Chairman Narsimha Reddy Engineering College (Management)	:	Chairman
2.	Sri. J.Trishul Reddy General Secretary Narsimha Reddy Engineering College (Management)	:	Member
3.	Smt.J.Sangeetha Reddy Joint Secretary Narsimha Reddy Engineering College (Management)	:	Member
4.	Sri. J.Trilok Reddy Treasurer Narsimha Reddy Engineering College (Management)	:	Member
5.	Smt. J.Mamatha Reddy Executive Member Narsimha Reddy Engineering College (Management)	:	Member
6.	Dr, A Mohan Babu Director Narsimha Reddy Engineering College	:	Member
7.	Dr. K. Vijay Kumar Reddy, Professor of ME & Ex-Rector of JNTUH Hyderabad (University Nominee)	:	Member
8.	Govt. Polytechnic Principal (State Govt. Nominee)	:	Member

9. Dr. P. Venkat Rao : Member
   Professor in Physics
   Narsimha Reddy Engineering College
   (Faculty of the Institution)
10. Dr.K.Purushotham Prasad : Member
    Professor & CoE
    Narsimha Reddy Engineering College
    (Faculty of the Institution)
11. Mr. G.Santosh Reddy : Member
    Gangidi Industries Ltd.,
    (Industrialist)
12. Dr. K Ramakrishna : Member
    Dean IQAC, KLU, Vijayawada
    (Educationist)
13. Dr. L V Narasimha Prasad : Member
    Professor & Principal, IARE, Hyderabad
    (Educationist)
14 Prof. P. Gopala Krishna : Member
    Dean-IQAC, GRIET
    (Educationist)
15. Dr. R. Lokanadham : Member
    Principal
    Narsimha Reddy Engineering College

AGENDA

1. Items for confirmation and action taken report.

   1.1 Confirmation of Minutes of the Previous Meeting.

2. Items for Consideration and Approval.

   2.1 Consideration and approval of faculty recruitment for the academic year 2026-27.

   2.2 Consideration and Approval for applying NBA Accreditation of B.Tech Programs (CSE & ME).

   2.3 Consideration and approval of budget for the academic year 2026-27.

   2.4 Consideration and approval of governance structure to strengthen R & D cell in line with AICTE.

   2.5 Consideration and approval of faculty members completed NPTEL certification program to teach in CSE and emerging branches.

   2.6 Consideration and approval for applying NAAC accreditation in Cycle-2.

   2.7 Consideration and approval of increased intake in B.Tech – ECE, ME and New M.Tech Program in CSE, CSE-AIML & ECE for the academic year 2027-28.

3. Items for Ratification

   3.1 Ratification of Staff appointments since the 28th Governing Body meeting.

   3.2 Ratification for issuing PC and CMM for 2025-26 passed out students

4. Items for Information

   4.1 Results of the 2025 – 26 Passed out batch.

   4.2 Placement details for the academic year 2025-26.

   4.3 Number of students & faculty Certified in NPTEL/Swayam during the A.Y 2025-26.

   4.4 Student and Faculty achievements during the academic year 2025-26.

   4.5 Review and Update on Research and Development (R&D) Progress.

4.6 Number of students attended Internships during the academic year 2025-26.

4.7 Extension of Approval (EoA) of AICTE Intake for the academic year 2026-27.

4.8 Rankings and other information.

4.9 Report on Sustainable Development Goals (SDG) initiatives

4.10 Academic Audit Activities

5. Any other Items with the permission of the Chair.

MINUTES OF THE 29TH MEETING OF THE GOVERNING BODY HELD ON 16TH OCTOBER 2026

Sri. J. Narsimha Reddy, Chairman of the institute cordially welcomed all the members of the Governing Body.

Dr. R. Lokanadham, Principal and Ex-officio of the Governing Body, Narsimha Reddy Engineering College, Hyderabad presided over the meeting.

The members of the Governing Body discussed the agenda, item wise and resolved as per the details given below.

RESOLUTIONS

1.0. ITEMS FOR CONFIRMATION

Item No. 1-29th GB: Confirmation of the Minutes of the 28th Governing Body Meeting.

The Principal presented the minutes of the 28th Governing Body Meeting held on 18th February 2026. The members reviewed the recorded proceedings, which were taken as read and confirmed.

Resolution: The Governing Body confirmed the minutes of the 28th Governing Body Meeting held on 18th February 2026.

2.0. ITEMS FOR CONSIDERATION AND APPROVAL:

Item No. 2.1- 29th GB: Consideration and approval of faculty recruitment for the academic year 2026-27.

The Governing Body reviewed the proposal submitted by the Principal regarding the requirement for faculty recruitment for the academic year 2026–27. The Principal informed the members that, there is a need to recruit qualified faculty members to address faculty resignations, and other staffing requirements. The members discussed the present faculty strength, department-wise requirements, and the need to maintain the prescribed student–faculty ratio in accordance with AICTE and NBA norms. The Governing Body emphasized the importance of ensuring adequate faculty strength to maintain the quality of teaching, learning, and academic activities.

Resolution: After detailed deliberations, the Governing Body resolved to approve the recruitment of faculty members for the academic year 2026–27, based on the requirements of the respective departments.

The Principal is authorized to initiate the recruitment process in accordance with applicable AICTE/NBA norms and institutional procedures, ensuring adequate faculty strength for the effective conduct of academic activities and maintenance of academic standards.

Item No. 2.2- 29th GB: Consideration and Approval for applying NBA Accreditation of B.Tech Programs (CSE & ME).

The Principal informed the Governing Body about the NBA accreditation status of the B.Tech. Computer Science and Engineering (CSE) and Mechanical Engineering (ME) programs. He apprised the members, the current status of the accreditation process and stated that the pre-qualifier forms for both programs are prepared. The members discussed the preparatory activities, documentation requirements, and the need to ensure that all essential information and supporting documents are compiled and verified before proceeding with the submission. The Principal emphasized the importance of completing the pre-qualifier requirements in accordance with the guidelines prescribed by the National Board of Accreditation (NBA).

Resolution: After detailed deliberations, the Governing Body resolved to direct the concerned departments and the IQAC to complete the pre-qualifier forms for the B.Tech. CSE and ME programs, and also suggested prepare the draft of the SAR, ensuring the accuracy and completeness of all required information and supporting documents.

The Principal is authorized to coordinate and monitor the process and take the necessary steps towards furthering the NBA accreditation process in accordance with the prescribed guidelines.

Item No. 2.3- 29th GB: Consideration and approval of budget for the academic year 2026-27.

The Principal presented the proposed budget for the academic year 2026–27, covering major areas such as academic development, laboratory and equipment upgrades, infrastructure maintenance, library resources, faculty recruitment, student

support activities, research initiatives, and administrative expenses. He explained the basis for the budget estimates and highlighted priority areas requiring financial support to ensure smooth academic operations and institutional growth.

The Governing Body members reviewed the budget proposals, discussed essential financial requirements, and emphasized the importance of efficient utilization of funds. They agreed that the proposed budget supports both academic quality and long-term institutional development.

Resolution: The Governing Body approved the budget for the academic year 2026–27 as presented by the Principal.

The Principal was authorized to execute the budgeted financial plans and ensure proper monitoring, transparency, and utilization of funds throughout the academic year.

Item No. 2.4- 29th GB: Consideration and approval of governance structure to strengthen R & D cell in line with AICTE.

The Governing Body discussed the proposal submitted for strengthening the Research and Development (R&D) Cell in alignment with AICTE guidelines and the institution's R&D Policy. The Principal explained the need for a more robust governance structure to promote research culture, enhance faculty engagement, and support activities related to publications, patents, funded projects, and innovation.

The members reviewed the proposed structure, including the formation of R&D committees, identification of coordinators, monitoring mechanisms, and processes for evaluating research output. The Governing Body also deliberated on the incentive framework for faculty researchers, covering incentives for quality publications, patent filing and granting, and securing externally funded projects. The members emphasized the importance of establishing transparent procedures and performance metrics to ensure effective implementation of the R&D initiatives.

Resolution: The Governing Body approved the proposed governance structure for strengthening the R&D Cell in line with AICTE and institutional R&D policy. The Principal is authorized to implement the governance framework.

Item No. 2.5- 29th GB: Consideration and approval of faculty members completed NPTEL certification program to teach in CSE and emerging branches.

The Principal presented that as per the guidelines of the affiliating university, the affiliating colleges are permitted to engage faculty with specialisation in emerging areas not exceeding the 10% of the total faculty strength in the discipline concerned vide Cir. No. UAAC/Faculty/Eligibility/2021, dated: 27-07-2021 are eligible to teach for the Emerging branches.

The list of faculty members from ECE/EEE/ME who obtained more than 12 credits through SWAYAM/NPTEL courses offered by the various IITs and other prestigious institutes is presented and requested the Governing Body members that, as per the guidelines of JNTUH, the faculty of ECE/EEE/ME with M.Tech / Ph.D with NPTEL courses in CSE emerging are eligible for consideration of SCM against 10% of faculty positions.

Resolution: The Governing Body members approved and permitted to depute the eligible faculty as per JNTUH guidelines to B.Tech - CSE/ CSE allied departments and permitted to recruit additional faculty in their parent department in place of these faculty as per the rules of statutory bodies.

Item No. 2.6- 29th GB: Consideration and approval for applying NAAC accreditation in Cycle-2.

The Principal informed the Governing Body members that the institution's NAAC accreditation renewal process is to be initiated. He explained that, owing to the recent reforms in the NAAC accreditation framework and the restructuring of its online portal and application procedures, the acceptance of applications has been subject to changes in the prescribed process and timelines. The Principal apprised the members, the need to monitor the latest NAAC notifications and guidelines and to initiate the application process as and when the portal and applicable procedures permit. He further emphasized the importance of preparing the required institutional data, verifying supporting documents, coordinating with all departments, and keeping the necessary information ready for submission within the prescribed timeline.

The Governing Body discussed the matter and stressed the importance of proactive preparation to ensure that the institution is ready to proceed with the accreditation process in accordance with the revised NAAC framework.

Resolution: After due deliberation, the Governing Body resolved to approve the proposal to initiate the NAAC accreditation process in accordance with the latest guidelines and procedures issued by NAAC.

The Principal is authorized to coordinate with the IQAC and all departments for the preparation and verification of the required data and documentation and to proceed with the submission of the application and other prescribed documents, including the IIQA and SSR, as applicable, upon commencement or availability of the relevant application process on the NAAC portal.

Item No. 2.7- 29th GB: Consideration and approval of increased intake in B.Tech – ECE, ME and New M.Tech Program in CSE, CSE-AIML & ECE for the academic year 2027-28.

The Principal requested the Governing Body to consider and approve the proposal for increased intake in the B.Tech. ECE & ME programs and the introduction of a new M.Tech. program in Computer Science and Engineering (CSE), CSE (Artificial Intelligence and Machine Learning), and Electronics and Communication Engineering (ECE) for the academic year 2027–28. The Principal explained the rationale for the proposed changes in view of emerging technological trends, industry requirements, student demand, and the need to expand opportunities for postgraduate technical education. The Governing Body discussed the existing infrastructure, faculty availability, laboratory facilities, research resources, and other academic requirements necessary to support the proposed intake enhancement and introduction of new postgraduate programmes. The members emphasized that the proposals should comply with the applicable AICTE and affiliating university norms.

Details of the proposed Increase in Intake in the existing courses from the academic year 2027-2028.

S.No	Dept.	Approved Intake 2026-27	Proposed Intake 2027-28	Change in Intake
1	B.Tech - ME	30	60	30
2	B.Tech - ECE	180	240	60
Total				90

Details of the proposed new programs for the academic year 2027-2028.

S.No	Dept.	Proposed Intake 2027-28
1	M.Tech: CSE	18
2	M.Tech: CSE-AI	18
3	M.Tech: ECE-VLSI	18
Total		54

Resolution: After detailed deliberations, the Governing Body resolved to approve the proposal for increased intake in the B.Tech. ECE & ME programs and the introduction of new M.Tech. programmes in CSE, CSE (Artificial Intelligence and Machine Learning), and ECE for the academic year 2027–28, subject to compliance with the prescribed norms and obtaining the necessary approvals from AICTE and other competent authorities.

The Principal is authorized to initiate the required application process and take necessary steps for implementation upon receipt of the requisite approvals.

ITEMS FOR RATIFICATION:

Item No. 3.1- 29th GB: Ratification of Staff appointments since the 28th Governing Body meeting.

The Principal presented the list of staff appointments made after the 28th Governing Body meeting, including teaching and non-teaching positions. He explained that these appointments were made based on institutional requirements, workload demands, and to ensure smooth academic and administrative functioning.

The Governing Body reviewed the appointment details, verified that the recruitment process followed apex body norms, and confirmed that qualified candidates were selected as per the prescribed procedures.

Resolution: The Governing Body ratified all staff appointments made since the 27th Governing Body meeting, as presented by the Principal. The Principal was authorized to proceed with further necessary actions related to these appointments and to continue ensuring recruitment as per institutional guidelines.

Item No. 3.2-29th GB: Ratification for issuing PC and CMM for UG and PG Students of the 2025-26 passed out batch

The Principal informed the members that the UG and PG students of the 2025–26 passed out batch have successfully completed all academic requirements and have been declared eligible for the award of degree as per the JNTUH (Affiliated University) regulations and presented the list of students eligible for receiving Provisional Certificates (PC) and Consolidated Marks Memos (CMM).

Resolution: The Governing Body ratified the issuance of Provisional Certificates (PC) and Consolidated Marks Memos (CMM) to all UG and PG students of the 2025–26 passed out batch who have successfully fulfilled all academic and examination requirements as per the university norms.

4.0. ITEMS FOR INFORMATION:

Item No. 4.1- 29th GB: Results of the 2025 – 26 Passed out batch.

The Principal presented the academic results of the 2025–26 passed-out batch to the Governing Body. He highlighted the overall pass percentage, program-wise performance, number of distinctions and first classes, as well as improvements observed compared to previous academic years.

Members of the Governing Body appreciated the efforts of the faculty and academic teams for maintaining consistent performance. They also suggested adopting additional academic support measures, strengthening learning resources, and enhancing skill-based training to improve future results.

Resolution: The Governing Body noted and approved the academic results of the 2025–26 passed-out batch as presented by the Principal.

The Governing Body advised the Principal to continue academic strengthening measures, student mentoring, and faculty development initiatives, to achieve further improvement in upcoming batches.

Item No. 4.2- 29th GB: Placement details for the academic year 2025-26.

The Principal presented the placement report for the academic year 2025–26 to the Governing Body. He highlighted the number of students registered for placements, the total number of offers received, highest and average salary packages, and department-wise placement performance.

The Principal informed that several reputed companies visited the campus, and the Training & Placement Cell coordinated recruitment drives, internships, soft-skill training, and technical training programs.

The Governing Body reviewed the placement statistics and appreciated the efforts of the Placement Cell and faculty. Members suggested enhancing collaboration with industries, organizing more technical workshops, strengthening internship opportunities, and expanding MoUs with companies to improve placement outcomes for the upcoming batches.

Resolution: The Governing Body noted the placement details for the academic year **2025–26** as presented by the Principal.

The Principal was authorized to take necessary actions to further improve placements in the next academic year.

Item No. 4.3- 29th GB: Number of students & faculty Certified in NPTEL/Swayam during the even semester of the A.Y 2025-26.

The principal presented the department wise NPTEL/Swayam certifications of the students to the Governing Body Members.

Resolution: The Governing Body members referred the number of certifications, appreciated the Principal and Heads of the Departments for the efforts in getting the good number of NPTEL/Swayam certifications.

Item No. 4.4- 29th GB: Student and Faculty achievements during the academic year 2025-26.

The Principal presented the faculty achievements in Publications, Patents, Conferences and also Certifications in NPTEL, FDP's attended, awards received during the academic year 2025-26. He also presented the students achievements in obtaining prizes from reputed organizations in Curricular, Co-curricular, Extra-curricular activities and also highlighted the efforts of HOD's and faculty in students achievements.

Resolution: The members of the Governing Body noted the achievements of the faculty and students and appreciated the efforts of the Management and Administrative team in positioning the Institution at the forefront at various levels, contributing to the overall development of both faculty and students.

Item No. 4.5- 29th GB: Review and Update on Research and Development (R&D) Progress.

The Principal presented a detailed review of the Research and Development (R&D) activities undertaken during the academic year 2025-26. He highlighted the progress made in research publications, funded project proposals submitted, grants received, patents filed and faculty participation in conferences and workshops.

The Principal informed that several departments are actively engaged in strengthening research culture through faculty research groups, student project guidance. He emphasized that further efforts are needed to enhance the number of funded projects, quality publications in reputed journals, patent filing, and industry-linked research.

The Governing Body appreciated the initiatives taken by the R&D Cell and faculty members. Members emphasized the importance of promoting interdisciplinary research,

enhancing research infrastructure, and motivating faculty to apply for national funding schemes such as AICTE, DST, DRDO, SERB, and UGC.

S.No	Funding Agency	Title	Department	File Number & Date of Sanction	Investigator	Amount
1.	DST/SEED/ TIDE	Empowering the blind with digital literacy accessible document scanner to generate eBooks' & Braille into audio format for blind people	CSE	SEED/TIDE/2023/1244 Dated: 17-04-2025	P. Dileep Kumar Reddy	Rs 46,24,929/-
2	MSME Idea Hackathon 4.0	Zero Energy, Profitable Refrigerant Based Solar Tracking System	EEE	07-01-2025	Keerthi Srivardhan	Rs.1500000/-
3	Innovation Cell, AICTE, Ministry of Education, Govt. of India	Three-Day IDE (Innovation, Design & Entrepreneurship) Bootcamp for Principals and Teachers of PM SHRI Schools	NRCM	File No: /M/4198/2025/MIC-Part(7)-160	Dr M Shoban, Dr. P. Dileep Kumar Reddy	Rs1845000/-
4	AICTE-ATAL	Quantum Computing for Societal Transformation Hybrid Intelligence, Quantum-Safe Security, and Healthcare &	CSE	01-07-2026	Dr. P. Dileep Kumar Reddy Dr D Murali	Rs.600000/-

		Financial Applications				
5	DST-NCSTC Programme or Scheme: Children Centric Outreach Programme	Awareness and Exploration of Cyber Security to the rural Schools of Chittor district, Andhra Pradesh	CSE	Reference No./letter no.: CO/B/FP/G44/2022 09/07/2024	Dr. P. Dileep Kumar Reddy	Rs. 3,83,500/

Resolution: The Governing Body reviewed the progress of Research and Development (R&D) as presented by the Principal. The Governing Body suggested strengthening incentives for research outcome, organizing more workshops on proposal writing, and enhancing collaboration with industry and premier institutions to improve the institution's research profile.

The Principal was authorized to take necessary measures for enhancing the overall R&D output of the institution.

Item No. 4.6- 29th GB: Number of students completed Internships during the academic year 2025-2026.

The Principal informed the Governing Body about the number of students who completed Internships during the academic year 2025–26 in various Government and Private organizations. He stated that Internships have helped students in gaining practical exposure, industry knowledge, and hands-on skills.

The members appreciated the improvement in Internship participation and suggested increasing collaborations with more industries, Government departments, and start-ups to provide better opportunities for students in the coming years.

Resolution: The Governing Body noted the internship details for A.Y 2025–26. The Governing Body members advised the Principal to further strengthen the Internship

process by coordinating with more companies, ensuring timely approvals, and motivating more students to participate in Internships in the next academic year.

Item No. 4.7- 29th GB: Extension of Approval (EoA) of AICTE Intake for the academic year 2026-27.

The Principal presented to the Governing Body, the list of programmes and their corresponding intake sanctioned by AICTE for the academic year 2026–27. The members reviewed the details of the approved intake for each programme and noted the sanctioned student strength as per the approvals granted by AICTE and JNTUH, as applicable. The Governing Body acknowledged the information presented and emphasized the importance of adhering to the sanctioned intake and applicable regulatory norms while carrying out admissions for the academic year 2026–27.

Resolution: The Governing Body noted the AICTE-approved intake for the various B.Tech. programmes for the academic year 2026–27, as presented by the Principal. Resolved further that the Governing Body granted permission to run the programmes with the intake sanctioned by AICTE/JNTUH, as applicable, for the academic year 2026–27, subject to compliance with the prescribed norms and regulations.

Item No. 4.8- 29th GB: Rankings and other information.

The Principal shared the details of the institution's rankings, recognitions, and other related information with the Governing Body. He highlighted improvements in academic reputation, student performance, placements, and participation in national-level surveys.

The members appreciated the progress and suggested continuing efforts to strengthen academic quality, research activities, industry connections, and student achievements to improve the Institutional level rankings at National level.

Resolution: The Governing Body noted the rankings and related institutional information presented by the Principal.

The Body advised the Principal to take necessary steps to improve the institution's performance in various ranking frameworks and to maintain updated information for future submissions.

Item No. 4.9- 29th GB: Report on Sustainable Development Goals (SDG) initiatives

The Principal presented a detailed report on various initiatives undertaken by the college, such as Green energy practices, preserve water, efficient waste management systems and move towards achieving net-zero emissions.

In addition to environmental initiatives, the institution focuses on quality education by assigning innovative projects, conducting outreach programs that benefit the community, and fostering research and development (R&D) activities that contribute to societal and technological advancement. Members appreciated the initiatives taken up by college towards SDGs.

Resolution: After detailed deliberations, the Governing Body noted and appreciated the initiatives undertaken by the SDG Committee towards achieving the Sustainable Development Goals (SDGs). The Governing Body resolved to encourage the continued implementation and strengthening of sustainable practices.

Item No. 4.10- 29th GB: Academic Audit Activities.

The Principal presented the report of the academic audit conducted for the Academic year 2025-2026. The audit covered course coverage, assessment methods,

laboratory maintenance, and student feedback analysis. Members appreciated the systematic audit and advised regular follow-up reviews for continuous improvement.

Resolution: Resolved that the governing body takes note of the academic audit report and appreciates the efforts of IQAC and the faculty in maintaining academic quality.

Item No. 5-29th GB: Any Other Information – With Permission of the Chair

The Principal, with the permission of the Chair, shared several quality-improvement suggestions focusing on faculty and student development. The Governing Body members welcomed the initiatives and agreed that these measures would significantly contribute to academic quality, skill development, and overall institutional growth.

- The University Nominee, Dr. K. Vijaya Kumar Reddy, suggested that the institution adhere to the prescribed limit of a maximum of 20% of faculty members with NPTEL certifications for teaching courses in CSE emerging branches.
- He also emphasized the need to improve the overall pass percentage through effective academic monitoring, additional academic support for students.
- He recommended to increase the budget allocation for Research and Development (R&D) activities to promote innovation, quality research, funded projects, and faculty and student research initiatives.
- Dr. K Ramakrishna suggested introducing incentives for faculty members based on the quality of research publications, with due consideration to journal quartiles such as Q1 and Q2, to encourage high-quality research output.
- He also recommended strengthening industry collaborations, providing specialized training, and undertaking additional placement-oriented initiatives to improve students' employability and secure higher-package placement opportunities.

- He emphasized the need to facilitate more paid internship opportunities for students through industry partnerships. He also recommended encouraging students to pursue entrepreneurship and higher education through appropriate guidance, training, and institutional support.
- Dr. L. V. N. Prasad suggested establishing GP units and promoting the effective use of Artificial Intelligence (AI) tools to strengthen institutional activities and enhance teaching, learning, and administrative efficiency.
- Dr. P Gopala Krishna suggested encouraging students to actively participate in societal initiatives, community outreach programmes, and extension activities to develop social responsibility, leadership qualities, and a sense of civic engagement.

Conclusion

The meeting concluded with a Vote of Thanks by the Director to the Chairman and members for their valuable time, guidance, and continued support.
