

UNIT – V

Deliverable & Integration

PART – A (Short Answer Questions)

S.No	Questions	BT	CO	PO
1	What is a Deliverable in penetration testing?	L1	CO5	PO2
2	What are the components of a penetration testing report?	L2	CO5	PO1
3	Define Finding Alignment.	L2	CO5	PO1
4	What is Presentation of Results?	L2	CO5	PO1
5	Define Integration.	L1	CO5	PO1
6	What is Mitigation?	L1	CO5	PO1
7	Explain Defense Planning.	L2	CO5	PO1
8	What is Incident Management?	L2	CO5	PO1
9	State the importance of Security Policies.	L2	CO5	PO1
10	What is Integration Summary?	L2	CO5	PO1

PART – B (Long Answer Questions)

S.No	Questions	BT	CO	PO
11	Explain the Deliverable phase in Ethical Hacking.	L2	CO5	PO2
12	Discuss the structure of a Penetration Testing Report.	L3	CO5	PO3
13	Explain how findings are aligned with business objectives.	L3	CO5	PO2
14	Describe effective Presentation Techniques for security reports.	L3	CO5	PO1
15	Explain Integration of Results and Integration Summary.	L2	CO5	PO2
16	Discuss Mitigation Strategies for identified vulnerabilities.	L3	CO5	PO3
17	Explain Defense Planning based on penetration testing results.	L4	CO5	PO2
18	Describe Incident Management procedures after a security assessment.	L4	CO5	PO1
19	Discuss the role of Security Policy in maintaining organizational security.	L3	CO5	PO2
20	Explain the complete lifecycle from penetration testing to remediation.	L5	CO5	PO3
