The Department Library occupies a unique place in academic and research activities of the Department. It is perhaps the most important central facility provided by the Institute. The Library was started in July 2014 with around 150 volumes. The Library maintains an excellent collection of books. It also has one copy each of all B.Tech. Projects, Seminar reports and M.Tech projects carried out in the department in recent years. The library opens on all working days of the Institute from 9 AM to 4:30 PM. Library has reading hall with 20 capacity.
