

## ABOUT EDC

The objective of promoting entrepreneurship among the youth is to nurture a passion for self-employment. This will open gates for creation of new knowledge-based innovative hi-tech ventures, industries and new breed of technopreneurs and more avenues of employment opportunities thus turning job seekers into job creators and in the process, leading the nation towards industrial excellence and self-reliance

## OBJECTIVE OF EDC

- To create awareness on entrepreneurship among the students.
- To conduct programs in Entrepreneurship enabling skills.
- To create a database on industrial information to facilitate entrepreneurs by providing information on entrepreneurial opportunities.
- To assist entrepreneurs in sourcing finance, identifying market, preparation of business plan and product development.
- To help entrepreneurs to acquire necessary skills to run the industry effectively.
- To bridge the gap between Industries and Institutions by carrying out the research activities for the industries.
- To conduct skill industrial development training programs with updated technologies.

## ABOUT THE COLLEGE

Narsimha Reddy Engineering College has been established during the academic year 2007-08. This institute is built up on the spacious campus, aesthetically & articulately designed with lush green gardens & landscape. Our institution has an objective to impart Engineering Education to its students to become great future engineers with professional skills to address and solve the problems of modern Hi-tech industry. It offers B.Tech programmes in CSE, ECE, EEE, MECH and CIVIL and PG Programmes in CSE, MECH, EEE & MBA

This Institute is built up on the spacious campus, aesthetically & articulately designed with lush green gardens & landscape. The ideally architecture buildings in the campus add to the overall beauty & elegance of our institute. It provides an ideal ambience to the budding engineers to shape their career, by imbibing knowledge under the careful observation of the Principal & faculty.

This Institute is ideally located at Maisamma Guda, Secunderabad, Ranga Reddy District and is just at a distance of 15 km from Secunderabad.

This Institute has total built up area of around 200000 sq ft., with well-designed airy Classrooms, Laboratories, Seminar hall, Conference hall & Administrative section. The built up area is well above the requirement, prescribed by the All India Council for Technical Education, New Delhi. The overall idea is to make place of learning more comfortable, convenient & idea for the students. The management has a vision to convert general classrooms into E-classrooms, soon.

### VISION:

To emerge as a destination for higher education by transforming learners into achievers by creating, encouraging and thus building a supportive academic environment.

### MISSION:

To impart Quality Technical Education and to undertake Research and Development with a focus on application and innovation which offers an appropriate solution to the emerging societal needs by making the students globally competitive, morally valuable and socially responsible citizens.
