Technical Fest of various departments held on March 28th 2018. More Details

Technical fest is the annual science and technology festival conducted in Narsimha Reddy engineering college on 28th March, 2018. Its main objective is to enhance the learning process by providing inventive insights to the cutting-edge innovations in the field of engineering. It was segregated in three different activities namely – Sports Event, Technical Event (Tech-fest) and Cultural event.

Technical festival was celebrated at department level and the departments conducted technical events based on the syllabus and practical applications of the same.

Department of CSE conducted a technical fest called a “TECHKRITI-18”. These fests are organized every year with the objective to provide platform for the students to showcase their talent with a competitive spirit. The event was successful enough to attract as many as 400 registrations for one day fest which includes the events like paper presentation, poster presentation, game zone, technical dumb charades, technical quiz, code break, technical treasure hunt.

Department of ECE conducted a technical fest called “IGNECEOUS-18”. Many students participated in events like project expo, short films, Dubsmash, circuit trionics, JAM, photography, technical treasure hunt, paper presentation, poster presentation.

Department of Mechanical conducted a technical fest called “DYNAMECH-18”. The event is a celebration of the field of mechanical engineering and every innovation pertaining to it. The students made an event more success. The events are auto quiz, water rocketry, paper presentation, robotics, engineering drawing, project expo, technical treasure hunt, dexters laboratory.

Department of EEE conducted a technical fest “VID-YUTH18”. The event was successful enough to attract as many students by participating many events such as paper presentation, poster presentation, technical quiz, project expo, guess the logo, cam capture, dubsmash, dumb charades.

Department of Civil conducted a technical fest called “. The event was grand success by participating many students in various events. The events conducted by the department are paper presentation, poster presentation, model presentation, technical quiz, CAD competition, cultural events.

Finally prizes were distributed in all the department. And this way, a beautiful interaction reached its logical conclusion. We cannot end this summary without mentioning the commendable effort and meticulous planning of principal, department HODs, faculty member, and management of Narsimha reddy engineering college.
