DT : 2ND Jan 2019

CIRCULAR

RAM GROUP will be conducting campus recruitment drive for B.Tech 2019 passing out students of NRCM on 7th Jan 2019 at Narsimha reddy Engineering College. The Company, JD and other details mentioned given below.

About the Company: Raam Group is an 1000 Cr organization based out of Hyderabad, with its footprints in auto-retail, real estate & construction and consumer-retail. We are proud channel partners for Mercedes-Benz, Hyundai, Tata, Honda, Hero, Woodland, Bata, Titan, Fastrack, Peter England and many more. We are spread across Telangana, Andhra Pradesh and Karnataka with over 60+ network outlets and team size of 1000+ employees. We strongly believe in having a like-minded team and therefore have gone beyond conventional wisdom to create a core team for the group. This team comprises of young, sharp and dynamic people from IIMs, IITs, NITs, BITS-Pilani, and premier colleges across India. Every year we take students as part of the 'Young Leadership Program' and groom them to become our future leaders.

1. Technical Trainee – Luxury Car :

Job Position : Technical Trainee (Luxury Car)

Reporting to : Workshop Manager

Location : Hyderabad

Job Summary : Rockstar Technical Leaders start right here!

Raam Group is building a platform to create next wave of technical leaders. We are proud channel partners for Mercedes-Benz, Hyundai, Tata, Honda, Hero, Titan, Prestige, Woodland, and more.

In this environment, every day is different with new challenges to cross. You'll be given real responsibility – and be expected to own it. We will empower you to explore and thrive. Our promote from-within culture enables you to have many unique careers all within the group companies. You just need to take the leap.

Technical Trainees undergo training for initial 24 months through cross-functional stints in workshop. Primarily this will involve a combination of assignments involving luxury car product training, maintenance techniques, workshop system and processes, customer interaction, and problem-solving. You need to have tremendous commitment and drive to succeed and thrive in this role.

Eligibility Technical Trainee – Diploma/BE/B.Tech in Automobile or Mechanical.

Salary Package CTC - 2.4 L per annum.

We look for Candidate

- You possess good basic knowledge of automobile/vehicles systems and assemblies.
- You are familiar with how to operate basic vehicle systems and functions that belong to the vehicle standard equipment without having to refer to the operator's manual.
- You can independently perform maintenance operations, define repairs, and assemblies following the instructions, and can then perform your own quality check/final inspection.
- You can recognize hidden faults and systems deviations while performing maintenance operations and can initiate follow-up orders
- Performing all maintenance services in accordance with the manufacturer's specifications and in line with the maintenance schedule/computer.
- Carrying out visual inspections, adjustment operations, adjustments, changing and filling operating fluids, and replacing wear parts.
- Recognizing deviations or unusual wear and initiating add-on work/providing feedback to the customer.

2. Business Trainee :

Job Position : Business Trainee

Reporting to : Sr. Management

Location : Hyderabad, Hubli
