TRAINING & PLACEMENT CELL

Dt : 29th Feb 2016

CIRCULAR

TCS off campus Drive for registered 2016 passout students on 2nd March 2016 from 10.00AM to 12.30PM & from 1.30PM to 3.00PM at NRCM

Eligibility Criteria for TCS off campus for 2016 batch :

Student must be either an engineering graduate or an MCA graduate of 2016 batch. The second thing is you should have at least 60% of academic percentage right from SSC, intermediate to graduation. And you should not have any gap in the education. If you have any gap, you should provide a valid reason. Then only TCS will allow you to attend the tcs off campus for 2016 batch drive after registration. Its completely depends on TCS, whether you receive the hall ticket or not. Students of B.E or B. Tech or M.E or M.Tech of streams like ECE, EEE, IT, EIE, CSE, ETE, Mechanical, Network engineering and other streams are eligible to register. Students should not have backlogs/arrears at the time of registration. People who have done part time/distance are not eligible.

TCS off campus for 2016 batch Venues:

The off campus drives will be conducted in all major cities in India such as Hyderabad, Chennai, Bangalore, Kolkata, Pune, Mumbai, Noida, Gurgaon etc. The written test will be conducted in some engineering college. And the further rounds will be conducted in TCS office.

TCS off campus for 2016 batch selection process:

1. A written test comprising of question from quantitative aptitude, logical and verbal reasoning etc.. will be conducted for all the students who applied in nextstep.tcs.com
2. The second round is technical interview. Students who are successfully shortlisted from written test will be allowed to attend the interviews.
3. Third round is HR round, this is the final round in the TCS off campus for 2016 batch process. Once you are done with this round, you are selected for TCS.

Note : Students must carry their Hal tickets and College ID proofs.
