REPORT ON CANCER AWARENESS

World Cancer Day serves as a powerful platform to unite individuals, communities, and organizations worldwide in the fight against cancer.

Through education, advocacy, and support, the day empowers people to take proactive steps towards reducing the burden of cancer and improving the lives of those affected by the disease.

As we reflect on World Cancer Day, let us renew our commitment to working together to prevent cancer, support patients and survivors, and strive for a world where cancer is no longer a life-threatening illness.

Dr Swapna jilla, MBBS DNB,ECMO senior consultant and Head Radiation Oncology, Malla Reddy health city has graced the occasion and briefed about different cancers and precautions to be taken to avoid cancers. She has explained through a PPT presentation. Principal and heads of different departments has participated in the session and clarified their doubts. Management has felicitated Dr Swapna with a shawl and memento. More than 250 students have taken part in the event.

Thank you to everyone who contributed to the success of World Cancer Day and for your unwavering dedication to the fight against cancer.
