

CULTURAL CLUB

A Culture Club is a group of few students that meets regularly to explore different creative and cultural activities together.

This club brings together the different art forms of the students and students with experience in these areas. culture clubs at nrcm is a way of implementing the concerning access to students' culture.

The ambition of this key project is to give students an equal opportunity to familiarise themselves with art and culture.

Objectives:

1. To fine-tune the interactions with their peers and with faculty members, and to have the opportunity to connect with other students who share similar interests.
2. Promote a dynamic cultural heritage that is preserved, used and developed.
3. to build self-confidence, self-motivation, team work, time management.
