|---------|--------------------------------|---------------------|----------------------|-------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| (1)     | (2)                            | (3)                 | (4)                  | (5)                                                         | (6)                                                                                                                                                            |
| 1.      | Computer Science & Engineering | Tier-II             | Accredited           | Academic Years 2020-2021 to 2022-2023 i.e. Up to 30-06-2023 | Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent authority, whichever is earlier. |
| 2.      | Mechanical Engineering         |                     | Accredited           |                                                             |                                                                                                                                                                |

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **Narshima Reddy Engineering College, Maisammaguda, Dhulapally Via Kompally Secundarabad-500100 Telangana** as a whole. **As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously.** Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.
