## SDG CELL

In alignment with the United Nations Sustainable Development Goals (SDGs) and as part of the institution's commitment towards sustainable development, Narsimha Reddy Engineering College has established an SDG Cell.

The SDG Cell is constituted to promote awareness, integrate SDG principles into academics and research, and encourage sustainable practices across the campus.

The Cell functions under the guidance of the Principal, with faculty coordinators and student representatives from various departments.

The SDG Cell acts as a central body to plan, implement, monitor, and document activities related to sustainable development within the institution.
