SDG CELL

In alignment with the United Nations Sustainable Development Goals (SDGs) and as part of the institution's commitment towards sustainable development, Narsimha Reddy Engineering College has established an SDG Cell.

The SDG Cell is constituted to promote awareness, integrate SDG principles into academics and research, and encourage sustainable practices across the campus. The Cell functions under the guidance of the principal, with faculty coordinators and student representatives from various departments.

The SDG Cell acts as a central body to plan, implement, monitor, and document activities related to sustainable development within the institution.

Members of the Committee

Sr. No.	Name of the Member	Category	Designation/ Department
1	Dr. R. Lokanadham	Chairperson	Principal
2	Dr. Prajakta Hiwase Kulkarni	Convenor	Associate Professor - FME
3	Dr. N Srinivasa Rao	Member	Associate Professor - CSE
4	Mr. P Naresh	Member	Assistant Professor-IT
5	Mr. M. Nataraj	Member	Assistant Professor-EEE
6	Prof. N Sai Kiranmai	Member	Dean - IQAC
7	Ms. G. Ashmitha (26X01A6671)	Member	Student Representative (SR)
8	Mrs. R Satyavathi	Member	Administrative Officer
9	Dr. D Venkatesh	Member	NSS Coordinator

Objectives of the SDG CELL:

1. To create awareness among students and staff about the 17 UN Sustainable Development Goals.
2. To integrate SDG concepts into curriculum, projects, and extracurricular activities.
3. To encourage student participation in sustainability initiatives.
4. To promote environmentally responsible practices on campus.
5. To support innovation and research aligned with SDGs.
6. To collaborate with industries, NGOs, and community organizations for SDG-based outreach programs.
7. To document SDG activities for accreditation and quality assurance processes.
8. To foster a culture of social responsibility, inclusion, and sustainable development among students of the institute.
9. To monitor, evaluate, and continuously improve the institution's contribution

towards achieving the Sustainable Development Goals.

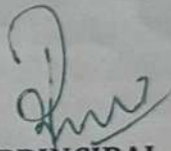

Functions & Responsibilities of the SDG Cell: -

1. Organize workshops, seminars, quizzes, debates, and awareness programs related to SDGs.
2. Facilitate student projects and working models mapped to relevant SDGs.
3. Conduct community outreach programs focusing on health, hygiene, education, environment, and energy conservation.
4. Promote waste management, water conservation, clean energy, and green campus initiatives.
5. Encourage interdisciplinary activities addressing sustainability challenges.
6. Maintain records of SDG-related activities and achievements.
7. Prepare annual action plans and reports.
8. Support departments in mapping their activities to SDGs.
9. Encourage innovation, research, and startup activities that contribute to sustainable development.
10. Promote awareness and adoption of sustainable practices in day-to-day campus life.
