

UNIT-III

S. No	Questions	CO	BT	PO
Part – A (Short Answer Questions)				
1	What is statistical indexing?	CO3	L1	PO4
2	Define concept indexing.	CO3	L2	PO4
3	What is natural language indexing?	CO3	L1	PO2
4	What are hypertext linkages?	CO3	L1	PO3
5	Define clustering.	CO3	L1	PO1
6	What is thesaurus generation?	CO3	L1	PO3
7	What is item clustering?	CO3	L1	PO1
8	Define hierarchy of clusters.	CO3	L1	PO1
9	Write short notes on KWIC.	CO3	L1	PO1
10	Write short notes on KWOC.	CO3	L2	PO2
Part – B (Long Answer Questions)				
11	a) Explain in detail different classes of automatic indexing?	CO3	L1	PO3
	b) Discuss statistical type of indexing method in detail?	CO3	L2	PO2
12	a) What do you mean by natural language Indexing? explain in detail?	CO3	L1	PO1
	b) Explain in detail about concept indexing?	CO3	L1	PO9
13	a) Explain briefly about hypertext linkages?	CO3	L1	PO8
	b) Define clustering. Explain the process of clustering in information systems and its types?	CO3	L1	PO9
14	a) What is difference between document clustering and term clustering?	CO3	L1	PO1
	b) Explain in detail thesaurus generation?	CO3	L1	PO1 1
15	a) Explain about automatic term clustering?	CO3	L1	PO2
	b) Explain in detail about cluster hierarchy?	CO3	L2	PO9
16	a) explain in detail I) document clustering II) term clustering	CO3	L1	PO4
	b) What is mean by automatic indexing? Discuss about statistical indexing and concept indexing?	CO3	L1	PO2
