Resource Person	Ms. Nasarat Tabasum Dr. P. Vengal Rao KSK Jaya Deva Rao
Event Coordinator Details	1. I. Akshay Snehith 2. Praneeth 3. Sharvani 4. Saryu 5. Surya Toastmasters' Club Narsimha Reddy Engineering College (Autonomous) Secunderabad, Telangana State, India- 500100.
Program Type*	Orientation
Date: Duration of the activity:	07-08-2026 6 Hours
Mode of Session	Offline
Number of Faculty Participants *	11
Number of Students/ Participants	297
Objective of The Event	• To ease the transition into college life Help first-year students feel comfortable, welcomed, and less anxious about starting their academic journey. • To build communication confidence Provide juniors an opportunity to introduce themselves, interact, and speak in a supportive environment. • To promote the Toastmasters culture Create awareness about the Toastmasters club and its role in improving public speaking and leadership skills. • To encourage networking and bonding Help first-year students connect with seniors, faculty, and peers to build meaningful relationships. • To guide students about opportunities and growth Inform them about academic, co-curricular, and personality development opportunities available in the institution.
Outcome workshop/ Benefit in terms of learning/Skill/Knowledge obtained	Improved Communication Skills • Participants enhanced their public speaking, clarity of expression, and confidence while interacting with first-

	year students. They practiced structured speaking and active listening. Leadership & Team Coordination - Organizing the event helped members develop leadership qualities, teamwork, and responsibility management, especially in planning, hosting, and guiding juniors. Interpersonal & Networking Skills - Students learned how to build rapport, handle new people comfortably, and create a welcoming environment — strengthening their relationship-building and networking abilities. Event Planning & Organizational Skills - Members gained practical experience in event coordination, time management, role allocation, and smooth execution, which are essential professional skills. Mentorship & Guidance Experience - Senior students improved their ability to guide, motivate, and support juniors, enhancing their mentoring skills and institutional knowledge sharing.
Brief Report:	The Toastmaster’s Club of NRCM College successfully organized the event Induction on 7th Aug 2026 from 10:00 AM onwards at the Seminar Hall MG Block (308), NRCM College (Offline mode). Dr. P. Vengal Rao conducted a proficiency module on Physics, enhancing students’ conceptual understanding, problem-solving skills, and application of fundamental principles through an engaging and informative academic session. Dr. K.S.K. Jaya Deva Rao, the Resource Person, addressed the students on the topic “Success Through Goal Setting.” The session focused on the importance of setting clear goals and maintaining a purposeful direction towards success. Students were encouraged to develop a goal-oriented mindset

	and to work consistently towards their academic and personal aspirations. The primary aim of the event was to create a supportive and informative platform where newly admitted students could interact with senior members and clarify their queries related to academics, campus facilities, skill development activities, and overall college life. The program began with a formal introduction to the Toastmasters Club, highlighting its mission to develop communication and leadership skills among students. Senior members shared their personal experiences and provided valuable insights on time management, participation in co-curricular activities, and the importance of effective communication in personal and professional growth. The session also included interactive activities and an open discussion segment, which encouraged active participation from the juniors. The event witnessed enthusiastic involvement from the first-year students. The interactive and welcoming atmosphere helped in building confidence among the participants and fostering a sense of belonging within the campus community. The program concluded successfully, achieving its objective of strengthening the bond between seniors and juniors while promoting leadership, communication skills, and mutual support.
