Respected Sir,

Sub: Request for Permission to Conduct Five-Day Boot Camp on "Data Visualization Using Power BI" – Reg.

We are glad to inform you that the Department of Information Technology (IT) is planning to organize a **Five-Days Boot Camp** titled "Data Visualization Using Power BI" from **15th September 2026 to 19th September 2026**. The Boot Camp aims to provide students with practical exposure to Data Modeling, DAX tool, design patterns, and coding best practices. It will include expert sessions, hands-on exercises, and interactive discussions to enhance the learning experience.

In this regard, I kindly request your permission to organize this Boot Camp at our institution. Your approval and encouragement will be vital for the successful conduct of this program.

Thanking you in anticipation.

P. Naresh

Yours faithfully,

Subject: Approval for Conducting Five-Day Boot Camp – Reg.

Sir,

With reference to your proposal and subsequent discussions with the Director and Management, we are pleased to inform you that your request to organize a **Five-Days Boot Camp** on **"Data Visualization Using Power BI"**, scheduled from to 15th September 2026 to 19th September 2026 has been **APPROVED**.

You are hereby authorized to proceed with the conduct of the Boot Camp as scheduled. We appreciate the initiative and efforts of the **Department of Information Technology (IT)**, in organizing this valuable academic program.

Kindly proceed with the necessary arrangements to ensure the smooth and successful execution of the Boot Camp.

CIRCULAR

The Department of Information Technology (IT), is organizing a **Five-Days Boot Camp** on: **"Data Visualization Using Power BI"** scheduled from **15th September 2026 to 11th September 2026**.

All registered students are encouraged to actively participate in the Boot Camp to enhance their knowledge and practical skills in **Power BI, Data Modeling, Data Transformation, and Data Visualization**.

The Boot Camp will provide participants with hands-on exposure to **real-world data analysis, interactive dashboards, visualization techniques, and industry-oriented Power BI applications**.

Your **active participation and enthusiastic involvement** will be highly appreciated and will contribute to the overall success of the Boot Camp.

Inauguration

The Boot Camp began with a formal inauguration in the presence of the esteemed dignitaries.

- **Shri Jakkula Narsimha Reddy**, Chairman, welcomed the gathering and highlighted the importance of strong design fundamentals in building scalable systems.
- **Shri Trishul Reddy**, Secretary, and **Shri Trilok Reddy**, Treasurer, extended their best wishes.
- **Dr. A. Mohan**, Director, and **Dr. R. Lokanadham**, Principal, addressed the participants, emphasizing industry relevance and employability skills.
- **Prof. M. Sowmya**, HOD of IT, appreciated the department's efforts and encouraged students to make the most of the hands-on sessions.
- **The Boot Camp coordinators** then introduced the theme, objectives, and day-wise schedule of the program.

Trainer Introduction

Mr. Vikas Padda, an accomplished AI Engineer and Senior Technical Trainer at FixityEDX, who brings expertise in some of today's most transformative technologies—Artificial Intelligence, Machine Learning, and Generative AI.

With a strong passion for technology and student empowerment, he specializes in **hands-on training, AI/ML bootcamps, real-world projects, and industry-oriented upskilling programs**. His practical approach to learning helps students move beyond theory and gain valuable exposure to how AI technologies are applied in real-world scenarios.

Through his expertise, mentorship, and engaging training methodology, **Mr. Vikas Padda** inspires learners to explore **emerging technologies**, build practical solutions, and prepare themselves for the evolving demands of the technology industry.

Training Objective:

The primary objective of the 5-Day Boot Camp on "Data Visualization Using Power BI" is to equip students with practical knowledge and hands-on skills in **data analysis, transformation, modeling, visualization, and dashboard development** using Power BI. The training aims to:

- Understand the fundamentals and applications of **Power BI**.
- Learn **data extraction, cleaning, and transformation** using Power Query.
- Develop effective **data models and relationships**.
- Gain practical knowledge of **DAX and calculated measures**.
- Design **interactive and visually effective dashboards and reports**.
- Understand **Power BI Service, sharing, security, and report publishing**.
- Apply **Power BI skills to real-world business case studies and projects**.
- Develop **industry-relevant data analytics and visualization skills** for career opportunities.

Training Schedule:

Day-Wise Training Schedule: 5-Day Boot Camp on "Data Visualization Using Power BI"

Day 1 – Understanding Data & Getting Started with Power BI

- Data Fundamentals
- Data Visualization
- Introduction to Power BI
- Data Connectivity
- Getting Started

Maisammaguda (V), Dhulapally (P)
Near Kompally, Medchal (M), Secunderabad – 500 100.

NARSIMHA REDDY ENGINEERING COLLEGE

An Autonomous Institution | Affiliated to JNTUH | Approved by AICTE
Accredited by NBA & NAAC with 'A' Grade

Day 2 – Creating Basic Visualizations & Power BI Calculations

- Power BI Visualizations
- Chart Selection & Design
- Filters & Analysis
- Introduction to DAX
- Calculations in Power BI

Day 3 – Data Transformation, Formatting & Analysis

- Visual Formatting
- Chart Customization
- Power Query Introduction
- Data Cleaning & Preparation
- Data Transformation

Day 4 – Advanced Visualizations, Filters & Interactive Reports

- Data Structuring & Filtering
- Slicers & Navigation
- Visual Configuration
- Interactive Analysis
- Advanced Interactivity

Day 5 – Dashboards, Storytelling & Advanced Charts

- Dashboard & Report Design
- Data Storytelling & Interactivity
- Advanced Visualizations
- Time-Based Analysis
- Power BI Service & Sharing

Boot Camp Outcome

Upon successful completion of the 5-Day Boot Camp on "Data Visualization Using Power BI," students will be able to:

- Understand the **fundamentals and applications of Power BI.**
- Import, clean, transform, and prepare data using **Power Query.**
- Create effective **data models, relationships, and calculated measures** using DAX.
- Develop **interactive dashboards and professional reports.**
- Apply appropriate **visualization techniques** to analyze and present data effectively.
- Publish, share, and manage reports using **Power BI Service.**
- Apply Power BI concepts to **real-world business case studies and projects.**

- Develop industry-ready data analytics and visualization skills and gain awareness of relevant career opportunities.

PO Highlights Mapped

The 5-Day Boot Camp on "Data Visualization Using Power BI" contributed to the following Program Outcomes (POs):

- **PO1 – Engineering Knowledge:** Application of engineering and analytical concepts to data analysis and visualization.
- **PO2 – Problem Analysis:** Analyze data and identify meaningful patterns, trends, and business problems.
- **PO3 – Design/Development of Solutions:** Design and develop interactive dashboards and data-driven solutions.
- **PO4 – Conduct Investigations:** Analyze and interpret datasets using Power BI and DAX techniques.
- **PO5 – Modern Tool Usage:** Effectively use Power BI, Power Query, DAX, and related data analytics tools.
- **PO10 – Communication:** Present data insights effectively through professional dashboards and visual reports.
- **PO12 – Life-long Learning:** Develop continuous learning skills in emerging data analytics and Business Intelligence technologies.

SDGs Mapped

The 10-Day Boot Camp on "Data Visualization Using Power BI" contributed to the following United Nations Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promotes quality, practical, and industry-oriented technical education through hands-on Power BI training.
- **SDG 8 – Decent Work and Economic Growth:** Enhances students' employability and career readiness by developing industry-relevant data analytics skills.
- **SDG 9 – Industry, Innovation and Infrastructure:** Encourages the use of modern digital technologies such as Power BI, Data Analytics, and Business Intelligence for innovative problem-solving.
- **SDG 17 – Partnerships for the Goals:** Strengthens collaboration between academia and industry professionals through expert-led training and knowledge sharing.

Valedictory Session

The Boot Camp concluded with a heartfelt Valedictory Ceremony, marking the successful completion of the 5-Day Boot Camp on "Data Visualization Using Power BI" and providing an opportunity to reflect on the knowledge, skills, and practical experience gained by the participants.

- **Sri J. Trishul Reddy, Hon'ble Secretary,** appreciated the initiative of conducting the industry-oriented Boot Camp and encouraged students to continuously upgrade their

technical skills and make effective use of emerging technologies for their career development.

- **Dr. R. Lokanadham, Principal**, appreciated the enthusiasm, discipline, and active participation of the students. He emphasized the importance of **continuous learning, practical skills, and staying updated with emerging technologies**.
- **Dr. A. Mohan, Director**, appreciated the efforts of the department in organizing this industry-oriented Boot Camp. He highlighted the importance of **hands-on training, data-driven skills, and industry readiness** for enhancing students' employability.
- **Dr. N. Kavitha, Department of IT**, expressed her sincere appreciation to **Mr. Vikas Padda** for delivering informative and practical sessions. He highlighted the importance of **Power BI, Data Analytics, and Business Intelligence** in bridging the gap between academic learning and industry requirements.
- As a token of appreciation, the department presented a **Sanmanam (Felicitation)** to **Mr. Vikas Padda Garu** in recognition of his valuable contribution, expertise, and dedicated efforts throughout the Boot Camp.
- **Certificates of Participation** were awarded to the students who successfully completed the Boot Camp with active participation and involvement.
- A few selected participants shared their experiences and expressed how the Boot Camp enhanced their understanding of **Power BI, data visualization, data analysis, dashboard development, and real-world business applications**.
- The event concluded with a formal **Vote of Thanks** by the coordinators, acknowledging the valuable support and guidance of the **Management, Principal, Director, HoDs, Resource Person, Faculty Members, and Student Volunteers** in making the Boot Camp a grand success.

Conclusion:

The 5-Day Boot Camp on "Data Visualization Using Power BI" was a resounding success, providing students with **practical knowledge and industry-relevant skills** in data analysis, visualization, dashboard development, and Business Intelligence.

The Department of IT sincerely thanks the Hon'ble Secretary, Management, Director, Principal, HOD, Resource Person **Mr. Vikas Padda** Faculty Members, and Student Volunteers for their valuable support and contributions in making the Boot Camp successful and impactful.
