

NARSIMHA REDDY ENGINEERING COLLEGE

(Autonomous)

ACADEMIC REPORT

2023-24

On this grand occasion of 13th Graduation Day it is my pleasure to present the academic activities of our Narsimha Reddy Engineering College. College was established in the year 2007 by Philanthropist and Visionary Sri. Jakkula Narsimha Reddy Garu with noble motto of providing top quality technical education to the students with best quality of infrastructure and high standards of Teaching Learning process.

In the journey of 17 long years of academic excellence, Narsimha Reddy Engineering College achieved various mile stones and accreditations from National level apex bodies. The major achievements of Narsimha Reddy Engineering College are

- Autonomous Status by UGC, Govt. of India.
- Accredited by NAAC with A Grade
- All UG programs are accredited by NBA twice.
- NRCM - Recognized under section 2(f) and 12(B) by University Grants Commission, Govt. of India, New Delhi
- 5 Star rating from Institution Innovation Council (IIC), MHRD.
- DST Project of Rs.20,42,000, Sanctioned by Ministry of Science and Technology, Government of India for organizing Science Fair for Creating Awareness Among Rural Communities of Telangana.
- Our Institute received grant of Rs.2,00,000 from AICTE to develop water bodies under prestigious scheme of “Mission Amrit Sarovar “ by Ministry of Housing and Urban Affairs (MoUHA), Government of India.
- Two projects from MSME (ECO Friendly India and Technology to take off CO₂) has been sanctioned of Rs. 30 Lakhs
- **Our Institute recognized as Host Institute by Ministry of Micro, Medium and Small Enterprise (MSME).**
- Our Institute recognized as “**Green Institutional Mentor**” by Ministry of Human Resource Development, Govt. of India.
- Institution got Scientific and Industrial Research Organizations (SIROs) certification.
- AAA rating among top engineering colleges in Telangana by career 360
- Placed in Top Engineering Institutions Ranking by Times of India
- Promising Self Financing Institution by ARIIA 2021, MoE, Govt. of India

Students Achievements

- **Placements** – During the A.Y 2023-24
31 top MNC companies like TCS, Accenture, Capgemini, HCL, Sutherland, BeeS, IBM, ATOS, CTS, Tech Mahindra, DXC, Genpact, Mphasis, Sonata Software, DeltaX, Hexaware, Intellect, LTI, Revature, Mindtree, Deloitte, Renew Power, ZOHO, SIRI-AB, THERMO GROUP, NTT DATA, VI, PragmaEdge, Quadrant Technologies conducted Placement drives and **recruited 245 Students** with a salary package ranging from 3.5 to 9 Lakhs. Overall placement percentage is 81%.

Results

- To perform well in Competitive Examinations and Placement drives student requires sound knowledge in their domain. Keeping this in mind Board of Studies of various departments develops latest curriculum which meets Industrial, Social and Global needs.
- Due to implementation of effective Teaching Learning Process our students produced pass percentage of 71.85 during the A.Y 2023-24.

Student Activities

- Student Activity Center (SAC):
Student Activity Center is a platform where student get an opportunity to develop character, critical thinking, problem solving, team building and leadership skills. College conducted various curricular and cocurricular activities in association with SAC during the A.Y 2023-2024.
MSME Hackathon
Freshers Week
Project Expo
Poster Presentation
Paper Presentation
Coding competition
Technical Fest
Traditional Day
State Level Sports meet – UTKRISHT 2024 etc.
- NREC extending outreach activities to the local community through our NSS unit. The various activities conducted through NSS unit are Blood Donation Camps at Institution to serve the needs of Government Hospital and Red Cross Society.
- Tree Plantation.

Staff Achievements

- **111 Research Papers** were published in SCI / SCOPUS and Web of Sciences Research Journals by our faculty members.
- We are proud to present that **24 patents of National / International** were published and **2 Patent is Granted** by our faculty members in various domains, and that added glory to the fame of the college.
- In order to promote high quality Teaching Learning Process and Research Culture among the Students and Staff, the college is recruiting faculty with Ph.D from top institutions like IITs, NITs and reputed universities.
- All M.Tech faculty are encouraged to register for Ph.D. programme in reputed universities.
- Faculty are encouraged to participate in Faculty Development Programmes like certification courses offered by NPTEL, Project Dhrona through TASK, Govt. of Telangana.

In the nut shell the core values and strengths of Narsimha Reddy Engineering College are

- Good Infrastructure
- State of the art laboratories
- Voluminous Library with abundant Titles, Volumes, Journals, Digital Library
- Placement training
- More emphasis on developing communication skills and soft skills
- conduction of various events like guest lectures by eminent academicians, industry experts, workshops, conferences, symposiums etc.,
- For all round development we also encourage and facilitate the students to take active part in extracurricular activities like sports meet, cultural fests which render organizing skills, leadership qualities which bring out inherent talents in the students.

The driving force behind all the credentials and achievements of the institution are the relentless efforts of our visionary and dynamic Management, Heads of the Department, Dedicated staff, Hard working students and parents trust.
