## Frequently of the Board of Studies and Academic Advisory Body (Academic Council) meetings

Frequency of the Board of Studies Meeting : Two Times for regulations

Frequency of the Academic Advisory Body : Quarterly

## Organizational chart and processes

## Nature and Extent of involvement of Faculty and students in academic affairs/improvements

- Faculty and students are involved in different activities, which lead to improvement in academics.
- The head of the department regularly monitors the class schedule of the day.
- The Academic Monitoring Committee, composed of faculty members and students, is also in place to monitor the academic deliverables in line with compliance with the curriculum and regular and timely delivery of the syllabus.
- Department-wise, the Board of Studies is composed of faculty members who are part of the board along with an industry expert, to review the curriculum and make it contemporary. Industry experts share their thoughts on a chosen theme, and at times, suggestions made by the industry experts with faculty members during their discussions lead to insights on academic improvements.
- Every faculty member has been involved with mentoring a limited number of 17-20 students from all the years to provide specialized guidance to the students in matters of academics, career, personality development, social obligation, etc.

## Mechanism/Norms and Procedure for Democratic/Good Governance

- The Institute believes in collective efforts, symbiotic relationships, and participatory management.
- The management, faculty members, administrative staff, and students are all integral parts of the institution. They all participate effectively in the running of the Institute.
- A belief of mutual benefit is embedded in everyone at the Institute, irrespective of his or her hierarchical position. Cordial relationships are maintained. Transparency in operations and conduct is accorded top priority, which has helped in creating an environment of fraternity in the Institute

## Student Feedback on Institutional Governance/Faculty Performance

- An online feedback system has been prepared to document the feelings of the students about the institute and, more specifically, about the academic and extracurricular activities.
- This online feedbacks are taken usually at the beginning and end of each semester. The reports of the analysis of the feedback are sent to the concerned committee for screening and finding the conclusions.
