VISION

To emerge as a destination for higher education by transforming learners into achievers by creating, encouraging and thus building a supportive academic environment.

MISSION

M1: Adapt continuous improvements in innovative teaching-learning practices and state-of-the-art infrastructure to transform students as competent professionals and entrepreneurs in multi-disciplinary fields.

M2: Develop an innovative ecosystem with strong involvement and participation of students and faculty members.

M3: Impart National development spirit among the students to utilize their knowledge and skills for societal benefits with ethical values.

QUALITY POLICY

To impart Quality Technical Education and to undertake Research and Development with a focus on application and innovation which offers an appropriate solution to the emerging societal needs by making the students globally competitive, morally valuable and socially responsible citizens.

Chairman's Message

In today's dynamic world, engineering plays a pivotal role in shaping the future. Innovations and breakthroughs in science and technology are the driving forces behind global progress. As an engineering college, we are not just a place of learning but a hub for innovation and creativity. Our mission is to nurture and inspire the next generation of engineers, researchers, and problem solvers.

"Engineering is the art of directing the great sources of power in nature for the use and convenience of humankind."

Sri J NARSIMHA REDDY
Founder Chairman

Secretary's Message

Sri J TRISHUL REDDY
Secretary

Our college has a rich tradition of nurturing young minds and fostering innovation in the field of engineering. As we step into another academic year, I am filled with optimism and a sense of purpose. Our college is not just a place of learning; it's a community where dreams are shaped, ideas are born, and knowledge is transformed into real-world solutions.

"Behind every achievement, there's an intricate network of support. I'm here to ensure that the gears of NRCM turn seamlessly for your success."

Treasurer's Message

Our college has a rich history of academic excellence and innovation. As we embark on another academic year, I am excited about the opportunities and challenges that lie ahead. In today's world, a strong financial foundation is crucial to support our mission of providing the best possible education and resources to our students and faculty.

"Investing in knowledge to build a brighter future."

Sri J Thrilok Reddy
Treasurer

Director's Message

Dr A Mohan Babu
Director

Our college has a legacy of excellence in engineering education, research, and a tradition of nurturing exceptional talent. We have consistently strived to create an environment where ideas are born, dreams are realized, and the next generation of engineers is sculpted.

"Cultivating the minds of future engineers, we shape the blueprint of tomorrow's innovations and progress."

Principal's Message

Our college stands as a beacon of learning and innovation, where knowledge is cultivated, and dreams are realized. We have a legacy of producing engineers who have gone on to shape the world, and I am honored to lead this institution in continuing this tradition.

"Engineering is not just a profession; it's a passion, a commitment to shaping the future."

INDUSTRIAL VISIT

The Department of Mechanical Engineering at Narsimha Reddy Engineering College organized an industrial visit on October 28, 2024. The visit was to Sri Devi Industrial Bus Body Unit in Dulapally, providing students with an opportunity to "Discover the Power of Innovation through Industrial Visits." This initiative aims to bridge the gap between academic learning and practical industry exposure.

DAIKIN'S VISIT

The Mechanical Engineering students recently gained invaluable industry exposure at Daikin's state-of-the-art facility in Sri City, AP, deepening their understanding of cutting-edge HVAC technologies."

FACULTY PAPER PUBLICATIONS/PATENTS/NPTEL

- The innovative research, led by **Dr. M. Ashok Kumar** and including a team of dedicated faculty, **Mrs.D simhana Devi & Mr.R Sai Syam**, and UG scholars, highlights our commitment to sustainable energy solutions and cutting-edge research. The patent, published on October 4, 2024, signifies a major step forward in analyzing the parameters of diesel engines using waste plastic oil and underscores the impactful contributions of our Mechanical Engineering department to the field.
- We are proud to announce that the paper titled '**ANALYSIS OF A DIESEL ENGINE USING WASTE PLASTIC OIL AS A FUEL**,' co-authored by **Mrs. Dunga Simhana Devi** has been published in the International Journal of Multidisciplinary Educational Research.
- We are delighted to share that the paper titled '**PERFORMANCE OF A DIESEL ENGINE USING WASTE PLASTIC OIL**,' co-authored by **Dr. M. Ashok Kumar, Mr. R. Sai Syam**.

FACULTY NPTEL CERTIFICATIONS

- Mr.Subhrajit Sahoo**, Asst.Prof in ME Dept. has successfully completed two NPTEL Online Certification courses from IIT Kharagpur.
- Ms. Dunga Simhana Devi** has successfully completed the NPTEL Online Certification course in 'Introduction to Industry 4.0 and Industrial Internet of Things'.

Seminar on Civil Services organised by TT-NT

CITY BUREAU
Hyderabad

A seminar titled 'Civil Services - the G.O.A.T Career for a Fresh Graduate' was conducted at Narsimha Reddy Engineering College, Medchal, on Wednesday. The event, organised by 'Telangana Today' and 'Namasthe Telangana' in collaboration with Reflections IAS Academy, aimed at inspiring and guiding students aspiring to join the Indian Civil Services through the UPSC exams.

Dr. G Vivekananda, UPSC achiever - 2014 and serving as Assistant Director at the Ministry of Defence, addressed the students, offering valuable insights into the UPSC exam process and the immense impact civil servants have on society. He stressed that becoming a

only discipline but also a focused study approach.

On handling challenges

Dr. Vivekananda, who is also chief mentor at Reflections IAS academy encouraged students to view challenges as opportunities for solutions and emphasised that success in the UPSC exams is achievable by stu-

tional backgrounds, not just those from institutions like IITs or medical colleges.

Sri Ramana Muppalla, founder and director of Reflections IAS Academy, further outlined the civil services exam process and motivated students by highlighting the authority and responsibility civil servants hold in addressing societal
