## ABOUT EDITOR & TEAM

### Chief Editor's Message

**Prof. D SRINIVAS**

Dean - ICT  
Editor-in-Chief

"NRCM PULSE" is a reflection of our commitment to excellence and a testament to the incredible talent that our college fosters. It's a platform for sharing knowledge, ideas, and inspiration. NRCM is dedicated to fostering a well-rounded educational experience, seamlessly integrating rigorous academics with meaningful social engagement. As you flip through these pages, you'll gain insights into the daily triumphs and milestones that our students and faculty have achieved, making us proud and continually pushing the boundaries of what's possible.

*"The red pen in an editor's hand is like a sculptor's chisel, chipping away the excess to reveal the true form of a literary work."*

# ABOUT COLLEGE

## ABOUT NRCM

Narsimha Reddy Engineering College (NRCM) is promoted & managed under the inspiring & dynamic Chairmanship of Sri. J. Narsimha Reddy and a fleet of dedicated members. This is the first institution belonging to JAKKULA EDUCATIONAL SOCIETY was established in 2007 to serve the people of this backward region of the state of Andhra Pradesh (India). The institute has total built up area of around 200000 sq ft., with well-designed airy Classrooms, Laboratories, Seminar hall, Conference hall & Administrative section. The built up area is well above the requirement, prescribed by the All India Council for Technical Education, New Delhi.

**Mahatma Gandhi Block**

**IT Park**

**Mother Teresa Block**

**APJ Abdul Kalam Block**

### VISION

To emerge as a destination for higher education by transforming learners into achievers by creating, encouraging and thus building a supportive academic environment.

### MISSION

To impart Quality Technical Education and to undertake Research and Development with a focus on application and innovation which offers an appropriate solution to the emerging societal needs by making the students globally competitive, morally valuable and socially responsible citizens

### QUALITY POLICY

To impart Quality Technical Education and to undertake Research and Development with a focus on application and innovation which offers an appropriate solution to the emerging societal needs by making the students globally competitive, morally valuable and socially responsible citizens.

# ABOUT COLLEGE

## Chairman's Message

In today's dynamic world, engineering plays a pivotal role in shaping the future. Innovations and breakthroughs in science and technology are the driving forces behind global progress. As an engineering college, we are not just a place of learning but a hub for innovation and creativity. Our mission is to nurture and inspire the next generation of engineers, researchers, and problem solvers.

**"Engineering is the art of directing the great sources of power in nature for the use and convenience of humankind."**

**Sri J NARSIMHA REDDY**  
Founder Chairman

## Secretary's Message

**Sri J TRISHUL REDDY**  
Secretary

Our college has a rich tradition of nurturing young minds and fostering innovation in the field of engineering. As we step into another academic year, I am filled with optimism and a sense of purpose. Our college is not just a place of learning; it's a community where dreams are shaped, ideas are born, and knowledge is transformed into real-world solutions.

**"Behind every achievement, there's an intricate network of support. I'm here to ensure that the gears of NRCM turn seamlessly for your success."**

## Treasurer's Message

Our college has a rich history of academic excellence and innovation. As we embark on another academic year, I am excited about the opportunities and challenges that lie ahead. In today's world, a strong financial foundation is crucial to support our mission of providing the best possible education and resources to our students and faculty.

**"Investing in knowledge to build a brighter future."**

**Sri J Thrilok Reddy**  
Treasurer

## Director's Message

**Dr A Mohan Babu**  
Director

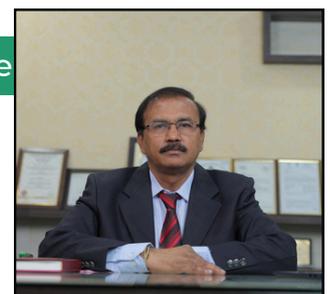

Our college has a legacy of excellence in engineering education, research, and a tradition of nurturing exceptional talent. We have consistently strived to create an environment where ideas are born, dreams are realized, and the next generation of engineers is sculpted.

**"Cultivating the minds of future engineers, we shape the blueprint of tomorrow's innovations and progress."**

## Principal's Message

Our college stands as a beacon of learning and innovation, where knowledge is cultivated, and dreams are realized. We have a legacy of producing engineers who have gone on to shape the world, and I am honored to lead this institution in continuing this tradition.

**"Engineering is not just a profession; it's a passion, a commitment to shaping the future."**

**Dr R Lokanadham**  
Principal

## MAJOR EVENTS

## AICTE IDE Boot Camp

December 22-24, 2025

### NRCM proudly hosted Innovation, Design, and Entrepreneurship for Principals and Teachers of PM SHRI Schools

The prestigious national initiative was organized by the Department of School Education and Literacy in collaboration with AICTE, the Ministry of Education's Innovation Cell (MIC), and the Wadhvani Foundation.

The boot camp featured sessions by renowned experts including Shri Yogesh Brahmankar, Dr. I. N. B. Lingeswara Reddy, Manager, IP&TT, AICTE Innovation Center (SCRO), Hyderabad, and resource persons Shri Shyam Peraka and Dr. Sreenadh from the Wadhvani Foundation, who conducted engaging sessions across all three days. Interactive workshops, group discussions, and immersive activities enabled participants to explore the "why, what, and how" of innovation in education, fostering creativity, collaboration, and problem-solving skills.

The three-day boot camp focused on capacity building, innovation, leadership development, and collaborative learning, with sessions on innovative teaching-learning practices, design thinking, entrepreneurship, emerging educational technologies, and best practices in school governance, aligned with the vision of PM SHRI Schools. More than 195 principals and teachers actively participated in the program.

### Day 1

The inaugural session was graced by Shri Ponnam Prabhakar Goud Garu, Hon'ble Minister for Transport & BC Welfare, Government of Telangana, along with Shri Ch. Malla Reddy Garu, MLA Medchal, and Shri Etela Rajender Garu, MP. The dignitaries also inaugurated the newly established IT Block and cowshed at NRCM, emphasizing the importance of integrating cultural values, social responsibility, and self-reliance with modern education.

## Day 2

Shri Yogesh Brahmarkar, Director, Innovation Cell, Ministry of Education, emphasized innovation rooted in India's cultural and constitutional values, while Mr. Ismail, CEO, Mahindra & Mahindra, urged educators to embrace change, innovation, and self-reliance. Marking Kisan Diwas, a tree plantation drive was conducted on campus to honor farmers as the backbone of the nation.

**Day 3**  
Mr. Mayur Borkar, Regional Director, AICTE Innovation Cell, attended as Chief Guest, with continued support from Mr. B. Bhaskar Garu, AMO, and the Director of School Education, Government of Telangana. The event emphasized innovation rooted in India's cultural and constitutional values, while Mr. Ismail, CEO, Mahindra & Mahindra, urged educators to embrace change, innovation, and self-reliance. Marking Kisan Diwas, a tree plantation drive was conducted on campus to honor farmers as the backbone of the nation.

## Wellness and Cultural Activities

To complement the academic rigor, NRCM organized wellness and relaxation activities such as a Yoga Session, Health Camp, and a Campfire with Dance, fostering rejuvenation, positivity, cultural bonding, and a balanced learning experience for participants.

## Institutional Leadership and Support

The event witnessed the presence of NRCM leadership including Chairman Shri J. Narasimha Reddy, Secretary Shri J. Trishul Reddy, Treasurer Shri Trilok Reddy, Director Dr. A. Mohan, Principal Dr. R. Lokanadham, Program Coordinator Dr. M. Shoban, and several Deans, Heads of Departments, and faculty members.

The Valedictory and Certificate Distribution of the IDE Boot Camp was held at NRCM. Certificates were awarded to Principals and Teachers of PM SHRI Schools, marking the successful completion of the programme focused on innovation, design thinking, and entrepreneurship in education.

## MAJOR EVENTS

### National Conference on Engineering, Innovation and Management (NCEIM-2025)

NRCM organized a National Conference on Engineering, Innovation and Management (NCEIM-2025) on 24th October 2025. The conference aims to provide a dynamic platform for students, researchers, and academicians to present their innovative ideas, share research outcomes, and discuss the latest developments in engineering, technology, and management.

The conference invites papers across multiple disciplines, including Engineering, Management, and Humanities. Accepted papers will be published in the conference proceedings with an ISBN number.

### Alumni Meet and Chairman Sir's Birthday Celebrations

The Alumni Meet '25 at Eastham London on 23 July 2025 brought NRCM alumni together for networking and reconnecting, graced by Sri Jakkula Trishul Reddy.

NRCM celebrated the birthday of its Chairman, Sri. Jakkula Narsimha Reddy Garu, on 27th September 2025.

### NRCM HONORED WITH BEST PERFORMING ENGINEERING COLLEGE AWARD BY CAREERS 360

Narsimha Reddy Engineering College (NRCM) has been honored with the Best Performing Engineering College Award by Careers360 – The Complete Career Magazine. The award was presented by Mr. Dheeraj Sharma, CSO, Careers360. The recognition highlights NRCM's consistent academic excellence, innovative teaching methodologies, strong industry partnerships, and dedicated efforts toward holistic student development, marking a proud achievement for the entire NRCM community.

### AICTE EDUSKILLS ORIENTATION & MOU

Under the direction of AICTE, NRCM and the EduSkills Foundation organized an engaging orientation to equip students with cutting-edge, marketable skills. Ms. Priti Pragyan Mahapatra, Academic Manager at EduSkills Foundation, gave a thought-provoking talk on how AICTE–EduSkills initiatives are changing technical education at NRCM.

Students acquired useful knowledge about future learning opportunities and digital skills that are in line with industry standards. NRCM and EduSkills have inked a Memorandum of Understanding that will provide students with training programs, industry-aligned skill development, national hackathons, and internship opportunities that are prepared for the future.

## Independence Day Celebrations

NRCM celebrated the 79th Independence Day on 15th August 2025 with flag hoisting by the Chairman, an inspiring address on unity and nation-building, and the National Anthem, in the presence of the college leadership.

The programme featured patriotic performances, and inspiring messages on unity and nation-building,

## UNITY IN DIVERSITY – JAI HIND!

Narsimha Reddy Engineering College celebrated Teachers' Day on September 4, 2025, with great enthusiasm. The program began with a floral tribute to Dr. Sarvepalli Radhakrishnan, followed by cultural performances by students that expressed their gratitude towards their teachers.

## Academic Excellence & Best Teacher Awards

As part of the celebration, Best Teacher Awards and Excellence Awards were presented to faculty members in recognition of their outstanding contributions to academics, research, and student development.

## MAJOR EVENTS

### BATHUKAMMA CELEBRATIONS

Narsimha Reddy Engineering College joyfully celebrated Bathukamma, the floral festival of Telangana, on 26th September 2025 with great enthusiasm and traditional fervor. The campus was filled with vibrant colors as students dressed in traditional attire and participated in cultural activities reflecting the spirit of Telangana. The event was graced by the management, who appreciated the students for preserving regional traditions and highlighted the importance of cultural heritage. The celebrations featured folk songs, beautifully arranged Bathukammas, and enthusiastic participation by both male and female students, symbolizing unity and cultural pride. Competitions for Best Traditional Attire (Male & Female) added to the festive charm of the occasion.

### ORIENTATION DAY

NRCM organized Orientation Day on August 20, 2025, to welcome newly admitted students and their parents and introduce them to the college's academic culture and opportunities. The Chairman, Secretary, Treasurer, Director, and Principal inaugurated the event. Director Dr. A. Mohan Babu highlighted the institution's vision, while Principal Dr. Lokanadham Garu outlined the curriculum and facilities. Dean of Students' Affairs, Dr. Venkat Rao Garu, encouraged students to strive for excellence.

Chief Guests Dr. C. Narayana Swamy, Mr. D. G. Rama Murthy, Psychologist Dr. A. R. Chamundeshwari, and Tata Group Senior Manager Ms. Neeraja Singh delivered motivational addresses. The event saw enthusiastic participation from faculty, students, and parents, marking a confident beginning to the new academic session.

## MAJOR EVENTS

### GRADUATION DAY 2025

Narasimha Reddy Engineering College (NRCM) proudly celebrated Graduation Day 2025 at the Sugunavathi Amphitheatre, marking a memorable milestone for the graduating students.

Mr. Trisul Reddy, Secretary, NRCM, inspired graduates to aim higher and stay connected through alumni engagement, while the Director highlighted the institution's achievements and announced the sanction of the MSME project amount.

The event was graced by the Guests of Honour—Mr. AadiRaju Raghu Ram, Founder of Mind Beans; Dr. Annam Reddy Chamundeshwari, Psychologist; and Mr. Chinthakayala Ashish, CEO, Path Creators—whose motivational addresses encouraged students to face future challenges with confidence. Outstanding students and academic toppers were honored, making the occasion a proud moment for all.

### SWAGATH 2K25 - A WARM WELCOME TO NEW BEGINNINGS!

Nrcm celebrated Swagath 2K25, a grand fresher's event to warmly welcome first-year students into the NRCM family. The program was formally inaugurated by the principal, secretary, and faculty members, who encouraged students to strive for excellence in academics and extracurricular activities.

Students from all departments enthusiastically participated in vibrant cultural events, including dance, singing, drama, a fashion show, and fun-filled activities, creating a lively atmosphere. The highlight of the event was the Mr. & Ms. Fresher contest, showcasing the confidence and creativity of the newcomers. Faculty dance performances added further excitement to the celebration.

The event was well coordinated by Dr. A. Jayanthi, with the secretary appreciating the organizing team's efforts. Swagath 2K25 reflected unity, joy, and togetherness, marking an exciting beginning for the freshers at NRCM.

# IIC ACTIVITIES

## Effective Conduction of Teaching, Learning, and Evaluation Process Workshop

July 08, 2025

NRCM conducted a one-day workshop on “Effective Conduction of Teaching, Learning, and Evaluation Process” on 8 July 2025 for faculty members. The program saw the active participation of 155 faculty from various departments.

The workshop focused on innovative teaching methods, outcome-based education (OBE), and continuous evaluation practices to enhance student learning and engagement. Conducted under the guidance of Principal Dr. R. Lokanadham, the initiative reflected NRCM's commitment to academic excellence and continuous faculty development.

## Effective Classroom Management and Sustainable Practices

An FDP on “Effective Classroom Management: Sustainable Practices and Empowering Educators” was held on 4th December 2025 at the MT Block Seminar Hall. Prof. M. L. Saikumar, Dean–Academics, Institute of Public Enterprise, shared insights on innovative and sustainable teaching practices. The program, coordinated by Prof. Ch. Sri Lakshmi, included interactive discussions that enhanced teaching–learning outcomes and faculty development.

## Best Innovation Ambassador at the IIC Regional Meet 2025

We are proud to share that our institution has been honored with the Certificate of Appreciation – Best Innovation Ambassador at the IIC Regional Meet 2025, organized by the MoE's Innovation Cell, AICTE

## THE PROFESSIONAL BODY CLUB INAUGURATION

The Professional Body Club was formally inaugurated at NRCM with the objective of promoting technical excellence, industry collaboration, and professional development among students. The event marked the beginning of various knowledge-sharing sessions, workshops, and skill-enhancement activities designed to bridge the gap between academia and industry. Faculty members and students actively participated, making the inauguration a significant milestone in fostering professional growth and leadership.

## INSTITUTION INNOVATION COUNCIL

The Institution Innovation Council (IIC) at NRCM continues to promote a culture of innovation, entrepreneurship, and creative problem-solving among students and faculty. Through workshops, ideation sessions, startup awareness programs, and expert talks, the council encourages young innovators to transform their ideas into impactful solutions. The initiative plays a vital role in nurturing an entrepreneurial mindset and strengthening the institution's innovation ecosystem.

## Launch of Professional Bodies – ISTE & CSI Clubs

NRCM inaugurated the Professional Bodies – ISTE (Indian Society for Technical Education) and CSI (Computer Society of India) Clubs on 15th October 2025 to promote technical excellence, professional growth, and innovation among students.

The inaugural function featured addresses highlighting the role of professional bodies in bridging academia and industry. Chief Guest Shri Raju L. Kanchibhotla and Guest of Honour Dr. Kalyan Sarveypalli inspired students to pursue innovation and excellence. The Secretary, Principal, and Director encouraged active participation in professional activities and continuous learning. The ISTE and CSI clubs will organize workshops, seminars, and competitions to enhance students' technical and professional skills throughout the academic year.

## PUBLISHED PATENTS, JOURNALS, TEXT BOOKS, CONFERENCES DEPARTMENT WISE JANUARY 2025 TO DECEMBER 2025

During the academic year 2025–26, the institution achieved notable progress in research and academic activities. A total of 13 research publications were produced across departments, all indexed in SCI, Web of Science, and Scopus, including doctoral publications from CSE, MECH, ECE, and EEE faculty.

In addition, 12 patents were filed during the year, reflecting strong innovation and research outcomes. Faculty members actively contributed to knowledge dissemination through the publication of 8 textbooks and 3 book chapters during the year. Several FDPs, seminars, and workshops were organized on emerging areas including Cyber Security, Academic Publishing, Digital Safety, and NBA Self-Assessment for Tier-I institutions, enhancing academic and professional competencies.

In addition, students actively participated in national-level initiatives such as MSME programs and Smart India Hackathon (SIH), showcasing innovation, problem-solving skills, and industry readiness.

## Achievers of Infosys Springboard Internship 6.0

65 students have been selected for the prestigious Infosys Springboard Internship 6.0, reflecting their dedication, technical skills, and commitment to learning. This achievement highlights a strong focus on skill development and career readiness. Congratulations to all the achievers for this commendable success.

## Smart India Hackathon – 2025 Internal Hackathon

Narsimha Reddy Engineering College, Maisammaguda, successfully organized the Smart India Hackathon 2025 – Internal Hackathon on 24th September 2025 at the IT Park, providing a vibrant platform for students to showcase innovation and technical excellence. The event focused on multiple themes including Smart Automation, Health Tech, Green Technology, Blockchain, and Smart Education, encouraging students to address real-world challenges through creative solutions.

Students demonstrated strong teamwork, problem-solving skills, and entrepreneurial thinking through their innovative project presentations. The Principal appreciated the participants for their enthusiasm and innovative mindset, while the Director highlighted the critical role of innovation in shaping future technologies. Dean-CDC Dr. Ramu motivated students to actively engage in such initiatives to gain practical exposure, enhance industry readiness, and strengthen their research and problem-solving abilities.

## CDC ACTIVITIES

### 3-day Project Fest

A 3-day Project Fest was successfully organized by the Career Development Center from 8th to 10th September 2025. Focused on Python-based projects, the event provided II Year students from the AIML, ECE, and Cybersecurity departments an opportunity to showcase their technical skills and innovative ideas while promoting hands-on learning, teamwork, and practical problem-solving.

### Mind Wars Poster Launch

The Mind Wars Poster Launch, held in collaboration with BeingZero on 5 August 2025, aimed to enhance students' analytical thinking and problem-solving skills while promoting holistic learning.

### Coders Club Inauguration

The Coders Club was inaugurated on 8th September 2025 at the IT Park. The event featured an inspiring talk by Mr. Sohil Arora from CodeChef on competitive programming and skill development. The club aims to promote coding excellence through hackathons, challenges, and workshops.

## CodeSprint-2K25 – Internal Hackathon

CodeSprint-2K25, an internal hackathon held on 18th October 2025 under the theme "Think – Build – Win," offered students an opportunity to transform innovative ideas into practical solutions within an intensive 8-hour timeframe. The event spanned diverse domains such as AI & ML, FinTech, Cybersecurity, HealthTech, and EdTech. Students participated enthusiastically by forming teams, brainstorming ideas, and developing creative prototypes focused on real-world problem statements. The hackathon fostered hands-on learning, collaboration, and critical thinking, while strengthening technical skills and innovation mindset among participants.

## CDC ACTIVITIES

### BRAINWARE 2K25 – Technical Event for Freshers

The Professional Bodies Club organized BRAINWARE 2K25, an exclusive technical event for freshers, on 24 November 2025 at the MT Block Seminar Hall.

The event featured engaging competitions such as TechQuest, Debugging Arena, Visual Vault, and Code Clash, offering first-year students a valuable platform to demonstrate their creativity, problem-solving abilities, logical thinking, and coding skills. The program fostered teamwork, healthy competition, and active technical learning, marking a confident and motivating beginning to the freshers' technical journey.

### Mock Parliamentary Debate

A Mock Parliamentary Bills Debate was organized on 12 September 2025 to provide students with a platform to strengthen their public speaking, leadership, and decision-making skills.

The event simulated real parliamentary proceedings, allowing participants to engage in structured discussions and debate important issues with confidence and clarity. Through active participation, students gained valuable insights into democratic processes, teamwork, and effective problem-solving, making the event a meaningful and enriching learning experience.

## COMPUTER SOCIETY OF INDIA INAUGURATION

**సర్వంపారోక్ష్య ఇంజనీరింగ్ కళాశాలలో**  
**సిఎస్ఐ విద్యార్థి శాఖ ప్రారంభం..**

పరిశోధనా-పరిష్కార ప్రయత్న గురించి దీర్ఘకాలిక అభివృద్ధి కళాశాలలో ఉత్తమ వారు ఉపాధ్యక్షుడి ప్రెస్ అండ్ ఇంటర్నెట్ (సిఎస్ఐ) విద్యార్థుల శాఖ స్థాపన కేరణం. ఈ కార్యక్రమంలో ముఖ్యఅతిథిగా సిఎస్ఐ ప్రధానాధికారి డాక్టర్ సి.సుధాకర్, గౌరవ అతిథిగా సిఎస్ఐ ప్రధానాధికారి కార్యదర్శి, అసిస్టెంట్ వైస్ చైర్మన్, విద్యార్థి ప్రాధాన్యత అండ్ అభివృద్ధి, పబ్లికేషన్ అండ్ కమ్యూనికేషన్, డా.పి.వి.య్యలపాటి చౌదరి, అసలం వారు మాట్లాడతూ సిఎస్ఐ యొక్క ప్రాముఖ్యత, సిఎస్ఐ ప్రధానాధికారి అండ్ ఇంజనీరింగ్ కార్యక్రమాల గురించి వివరాలు తెలిపారు. ప్రస్తుతం అభివృద్ధి చెందుతున్న ప్రాంతంలో గురించి వారి అభివృద్ధి ప్రయత్నం గురించి తెలిపారు. కళాశాల కార్యదర్శి డి.భీమారావు ప్రతి దినాల్లో ఉత్తమ దినాల్లోనే వారు తెలిపారు. ఇలాంటి వారి ద్వారా శాఖను మరింత ప్రమోద్దించి, సిఎస్ఐ ప్రయోజనాలను అందిస్తూ విద్యార్థులకు ఎంతో మేలు చేసేలా చేయాలి. కళాశాల ప్రెస్ అండ్ ఇంటర్నెట్ విభాగం వారు అందిస్తున్న విద్యార్థులకు మేరకు ప్రయోజనాలను అందిస్తూ వారిని అభివృద్ధి చేయాలి. కళాశాల ప్రెస్ అండ్ ఇంటర్నెట్ విభాగం వారు అందిస్తున్న విద్యార్థులకు మేరకు ప్రయోజనాలను అందిస్తూ వారిని అభివృద్ధి చేయాలి.

**Invitation**  
**CSI STUDENT CHAPTER INAUGURATION CEREMONY**  
 December 6, 2024  
 Organized by Department of Computer Science and Engineering  
**CHIEF GUEST**  
 Mr. C. Sudhakar, Chairman, CSI Hyderabad Chapter  
**GUEST OF HONOUR**  
 Dr. D.V. Ramana, Secretary, CSI Hyderabad Chapter  
 Coordinators: Dr. Dharamshah Bhadri, Associate Professor; Mrs. Rajeshwari Manati, Assistant Professor

The CSI Student Chapter was inaugurated at NRCM with the aim of enhancing technical knowledge and fostering innovation among students in the field of computing and information technology.

The ceremony marked the beginning of various technical workshops, coding sessions, seminars, and industry interactions under the banner of the Computer Society of India. The initiative is expected to strengthen students' professional competencies and provide a platform for collaborative learning and research-oriented activities.

## POWER BI WORKSHOP

A workshop on Microsoft Power BI was successfully conducted at NRCM to enhance students' data visualization and analytical skills. The session provided hands-on training in creating interactive dashboards, generating insightful reports, and understanding real-time data analytics applications using Microsoft Power BI. The event concluded with the distribution of participation certificates, recognizing the enthusiastic involvement and active learning of the students of the Computer Society of India.

## ₹17.83 LAKH PROJECT SANCTIONED FOR CYBERSECURITY OUTREACH INITIATIVE

**Heartly Congratulations**  
**NARSIMHA REDDY ENGINEERING COLLEGE**  
 UGC-AUTONOMOUS

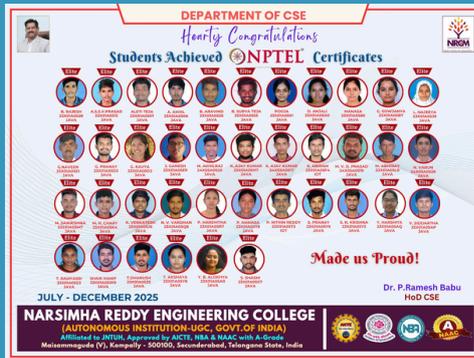

Project entitled "Awareness and Exploration of Cyber Security to the rural Schools", Principal Investigator Dr. P. Dileep Kumar Reddy, Professor, CSE Department. Total project cost: Rs.17,83,500/, Sanctioned by Government of India, Ministry of Science and Technology, Department of Science and Technology, India.

A sponsored project titled "Awareness and Exploration of Cyber Security to Rural Schools" has been sanctioned to NRCM under the Ministry of Science and Technology, Government of India. The project, with a total funding of ₹17,83,500, is led by Dr. P. Dileep Kumar Reddy, Professor, Department of CSE, as the Principal Investigator.

## CELEBRATING THE ACHIEVEMENTS OF OUR NPTEL CERTIFICATE HOLDERS

NRCM proudly congratulates the students who have successfully earned certifications through the prestigious NPTEL (National Programme on Technology Enhanced Learning).

This remarkable achievement reflects their dedication, perseverance, and commitment to academic excellence beyond the regular curriculum. By completing these rigorous online courses offered by premier institutions, our students have enhanced their technical knowledge, analytical abilities, and industry-relevant skills. The management and faculty extend their heartfelt appreciation to all the achievers for bringing laurels to the institution. Their accomplishment

serves as an inspiration to their peers and reinforces NRCM's commitment to fostering continuous learning, professional development, and academic distinction.

## STUDENTS SHINE IN CAMPUS PLACEMENTS AT BDO AND CALIBER

NRCM congratulates the students who have been selected in the campus placement drives of BDO and CALIBER. Their hard work, determination, and skills have earned them this well-deserved success.

The college applauds their achievement and wishes them a bright and successful professional journey ahead.

## CONGRATULATIONS TO AI & ML ACADEMIC TOPPERS

NRCM proudly congratulates the students who have secured top positions in AI and ML academics. Their dedication, perseverance, and exceptional understanding of cutting-edge technologies have set a benchmark for excellence. The college commends their hard work and encourages all students to strive for similar academic achievements. Their success reflects NRCM's commitment to fostering technical expertise and innovation among its students.

## HEARTY CONGRATULATIONS TO VISHRUTHA FOR FIRST PLACE IN WEIGHTLIFTING

NRCM proudly congratulates Vishrutha for securing first place in the Weightlifting competition. Her dedication, discipline, and hard work have brought laurels to the institution and set a remarkable example of athletic excellence. The college applauds her outstanding performance and wishes her continued success in future sports endeavors.

## CONGRATULATIONS TO MR. LOKESH KUMAR ON SECURING MOSPI INTERNSHIP

NRCM proudly congratulates Mr. Lokesh Kumar from the Department of AI & ML for being selected for an internship at the Ministry of Statistics and Programme Implementation (MOSPI). This achievement reflects his dedication, technical skills, and commitment to learning. The college commends his success and wishes him an enriching and rewarding internship experience, further enhancing his professional growth.

## CSE (AIML) STUDENT SECURES 3RD PLACE IN WEIGHT LIFTING

The Department of CSE (AIML) at Narsimha Reddy Engineering College proudly congratulates Jaini Vishrutha for securing 3rd place in Weight Lifting at the ASMITA Weightlifting League 2025–2026. Her achievement reflects determination, strength, and dedication beyond academics. The department applauds her success and wishes her continued excellence in both sports and academics.

## DEPARTMENT OF CSE-CS

### Emerging Trends in Cyber Security: Safeties and Career Perspectives

A One-Day Workshop on “Emerging Trends in Cyber Security: Safeties and Career Perspectives” was held on 16th December 2025 to highlight current cyber challenges and career opportunities. Experts Dr. Rohith Gautam and Wing Commander G. Srinivasu shared insights on evolving threats, defensive strategies, and industry practices.

### 3-Day Workshop on Cyber Shield 101

The Department of CSE (Cyber Security) organized a three-day workshop titled “Cyber Shield 101” from 24th to 26th July 2025 to provide students with essential knowledge and hands-on skills in cyber security and ethical hacking. Sessions were led by Mr. Chirra Sankalp Reddy, focusing on cyber fundamentals, common threats, and best security practices, and concluded with interactive activities and prize distribution.

### Parent Teacher Meeting

The Department of CSE (Cyber Security) conducted a Parent-Teacher Meeting on 16th October 2025 at the MT Block Seminar Hall to discuss students' academic progress and overall development.

The session encouraged interaction between parents and faculty, with discussions on performance, attendance, and improvement initiatives.

## TEACHERS DAY CELEBRATION

Teachers' Day was celebrated on 4th September by the students of CSE–Cyber Security to express their gratitude and respect towards faculty members. The event featured heartfelt messages and activities that acknowledged the dedication and guidance of teachers, making the celebration meaningful and memorable.

## FACULTY CONTRIBUTIONS

## Patents &amp; Springer Conference Paper Published

- Mr. R. Ashok, Assistant Professor, Dept. of CSE (CS), presented an IEEE (Scopus Indexed) paper on an AI-based pest detection system at ICESC-2025.
- Mr. R. Ashok has published a patent on an intelligent machine learning system designed to optimize power output in photovoltaic arrays under partial shading conditions.
- Mr. R. Ashok has published a Springer conference paper titled "Improved Remote Health Monitoring: IoT Framework with Advanced AI and Machine Learning Prediction" in Lecture Notes in Networks and Systems.
- Mrs. P. Revathy, Assistant Professor, CSE (CS), has published a paper titled "A CNN-Based Framework for Addressing Hallucination Phenomena: Mitigating Limitations across Multimodal and Clinical Contexts" in the International Conference on Computing and Communication.
- Mrs. B. Chaitanya, Assistant Professor, CSE (CS), presented "Analysis of DDoS Attacks Using Machine Learning Techniques" at the 7th International Conference on Communications and Cyber Physical Engineering, Springer Nature (2026).
- Mrs. D. Kalpana, Assistant Professor, CSE (CS), presented the paper "Hybridizing Attention for Enhanced Bone Marrow Cell Classification" at the IEEE International Conference on ACROSET.

## Three-Day Workshop on Advanced Generative & Agentic AI

The Department of Information Technology, NRCM organized a Three-Day Workshop on “Advanced Generative & Agentic AI: Building Smart Autonomous Systems” from 2nd to 4th September 2025 at 09:30 AM. The workshop was conducted under the leadership of Prof. M. Sowmya, Head of the Department – IT, and was delivered by Mr. Ajinkaya Lohakare, CTO & Founder of Ditto Security Innovation.

The program focused on advanced concepts of Generative and Agentic AI, emphasizing the development of intelligent autonomous systems and real-time applications, thereby enhancing students’ technical proficiency and industry preparedness.

The Department of Information Technology, NRCM successfully organized a Parent-Teacher Meeting on 16th October 2025. The meeting was conducted under the guidance of Prof. M. Sowmya, Head of the Department – IT, with the objective of strengthening collaboration between parents and faculty for the holistic development of students

The session focused on discussing students’ academic progress, attendance, performance in continuous assessments, and overall professional development. Faculty members interacted with parents to provide constructive feedback and guidance, reinforcing the department’s commitment to academic excellence, student mentoring, and continuous improvement at Narsimha Reddy Engineering College.

## International Conference Paper Presentation

The Department of Electronics and Communication Engineering proudly celebrates the successful presentation of a research paper at an international conference. The paper titled "Smart Trash Classification System Using IoT and Machine Learning for Sustainable Urban Management" was presented at a reputed conference held at NIT Uttarakhand, India. The accomplishment reflects the dedication and technical excellence of the participating students under the guidance of faculty members.

## 3 Out of 5 Prizes

Students of the Department of ECE secured three out of five prizes during World Space Week 2025. The event was hosted by the First-Year Cyber Security students at BVRIT Hyderabad. NRCM students earned accolades in events including Cosmic Canvas and Stellar Class Quest.

The Department of ECE organized an industrial visit to the National Remote Sensing Centre (NRSC), Jeedimetla, Hyderabad. The visit provided students with valuable exposure to advanced remote sensing technologies and satellite data applications. Participants gained practical insights into realtime projects and operational methodologies. The initiative aimed to bridge the gap between academic learning and industry practices. Such visits reflect NRCM's commitment to experiential learning and professional development.

## Achievement in Ideathon Event – Anurag University

MD Afroz, a III B.Tech ECE student, secured Second Place in the Ideathon Event conducted at Anurag University. His innovative idea and confident presentation impressed the judges and showcased his strong technical and analytical skills. This achievement reflects his dedication, creativity, and commitment to excellence. The Department of ECE proudly congratulates him for bringing recognition to the college and inspiring fellow students through his accomplishment.

# DEPARTMENT OF EEE

## NPTEL Certification Achievements

Students of NRCM have excelled in earning NPTEL certifications across various technical domains. Their dedication and commitment to online learning and skill development are commendable. These achievements reflect their pursuit of academic excellence and continuous professional growth. The institution proudly acknowledges and encourages students to enhance their knowledge through such certifications

## NPTEL Elite Certification Achievements

NPTEL Elite Certification Achievements – NRCM Students  
 Congratulations to NRCM students for earning NPTEL Elite Certifications in various technical disciplines. This achievement reflects their exceptional dedication, hard work, and mastery of advanced concepts. Their success highlights the college’s focus on skill development, academic excellence, and continuous learning. NRCM proudly celebrates and encourages students to strive for such distinguished accomplishments.

## HANDS ON WORKSHOP BY EEE DEPARTMENT

The EEE Department organized a hands-on workshop to provide practical exposure to electrical and electronics concepts. Students actively participated in experiments and interactive sessions, enhancing their technical skills. NRCM continues to promote experiential learning and professional growth through such initiatives.

## EEE Department Achieves Patent Publication Milestone

The Department of EEE at Narsimha Reddy Engineering College proudly announces the publication of a patent titled "IoT-Enabled Adaptive Voltage Regulation System for Dynamic Power Distribution Networks." Led by Dr. C. Sasikala (HoD, EEE) along with faculty members, this achievement reflects the department's commitment to innovation, research excellence, and technological advancement in power systems engineering.

## EEE Student Secures ₹15 Lakhs Grant under MSME IDEA Hackathon 4.0

The Department of EEE at Narsimha Reddy Engineering College proudly congratulates Keerthi Srivardhan for receiving a ₹15 Lakhs grant under Ministry of Micro, Small and Medium Enterprises (MSME) IDEA Hackathon 4.0. His innovative project on a Zero Energy, Profitable Refrigerant-Based Solar Tracking System reflects exceptional creativity, technical excellence, and entrepreneurial vision, bringing pride to the institution.

## DEPARTMENT OF EEE

## EEE Department Celebrates Roll of Honours - Batch 2021-25

The Department of Civil Engineering at Narsimha Reddy Engineering College organized an industrial visit to the National Academy of Construction, Hyderabad. The visit provided students with practical exposure to modern construction practices, site management techniques, and industry standards. It was an enriching experience that enhanced their technical knowledge and bridged the gap between classroom learning and real-world applications.

## Parent-Teacher Meeting for B.Tech II Year EEE Students

The Department of Electrical and Electronics Engineering at Narsimha Reddy Engineering College organized a Parent-Teacher Meeting for B.Tech II Year students on 26th November 2025. The meeting aimed to discuss academic progress, performance, and overall development of students. It provided a valuable platform for parents and faculty to interact, share feedback, and collaboratively support student success.

## Induction Programme for B.Tech First Year Students

The Induction Programme-2025 for B.Tech first-year students was successfully conducted at Narsimha Reddy Engineering College (NRCM) from 21.08.2025, with enthusiastic participation from students, faculty, and administrators. The programme began with an inspiring inaugural session in the college auditorium.

Mr. D. Vinodh, South India Head – Talent Acquisition, HCL Technologies, highlighted industry expectations, adaptability, and continuous learning. Dr. N. Kavitha, Professor, Dept. of CSE, emphasized strong C Programming fundamentals and innovation.

On Day 2, Dr. P. Venkat Rao focused on holistic development, student support, and building a positive campus culture.

## NATIONAL SPACE DAY

First-year B.Tech students at NRCM participated in a National Space Day session on “Leveraging Space Technology for Viksit Bharat 2047,” highlighting India’s scientific vision and national development. The third day of the Induction Programme-2025 featured a session on personal growth and mindfulness, led by Mr. Sai Shashank, Isha Foundation volunteer, who introduced students to the importance of inner well-being.

## ENGINEER'S DAY

On 15th September 2025, the Department of FME at NRCM celebrated Engineer’s Day in tribute to Bharat Ratna Sir M. Visvesvaraya, honoring his legacy while inspiring creativity and innovation among students.

# DEPARTMENT OF FME

## Say It Right!

The session "Say It Right – Building Powerful Communication Skills," held on September 3rd and facilitated by Prof. N. Sai Kiranmai, HoD FME, aimed to enhance students' communication skills for both personal and professional success. The dynamic and engaging session featured interactive activities, role plays, and real-time feedback, allowing students to practice and improve clarity of expression, active listening, confidence, body language, and public speaking. By combining theory with practice, the session motivated students to communicate clearly and confidently.

## The Art of Communication

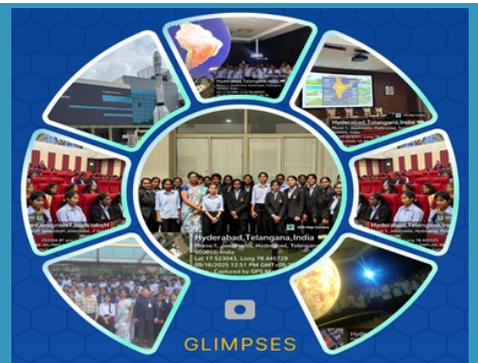

04.09.2025

The session covered the fundamentals of verbal and non-verbal communication, strategies for confident public speaking, and building rapport through active listening. Students engaged in interactive exercises to gain practical skills for clear and effective expression.

## Industrial Visit to ISRO, Hyderabad

The Department of Freshman Engineering (FME) organized an industrial visit to ISRO, Hyderabad on September 13, 2025 for first-year students. The visit offered insights into India's space technology and achievements, inspiring scientific curiosity and innovation among students.

## National Pollution Control Day

On 02<sup>nd</sup> December 2025, National Pollution Control Day event organized by NRCM's Department of FME in association with IIC. It highlights the theme of responsible consumption and the institution's commitment to environmental awareness.

## DEPARTMENT OF ME

### Industrial Visit – Kothagudem Thermal Power Station

The Mechanical Engineering Department organized an industrial visit to Kothagudem Thermal Power Station. Students gained practical insights into thermal power generation, plant operations, and engineering practices. The visit enhanced their understanding of real-world applications and industry standards. NRCM encourages such initiatives to bridge academic learning with industrial exposure.

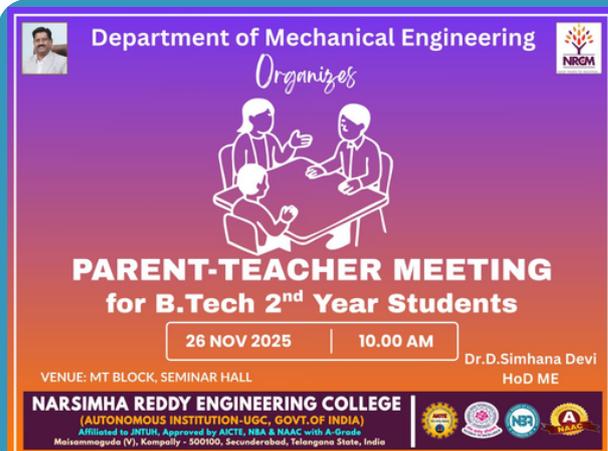

### One-Day Seminar on Mechanical Engineering Design Constraints

The Department of Mechanical Engineering at Narsimha Reddy Engineering College organized a one-day seminar on Mechanical Engineering Design Constraints. The session was delivered by Amaresh Mekala from Alstom Transportation, who shared valuable industry insights and practical perspectives. The seminar provided students with enhanced understanding of real-world design challenges and professional practices in mechanical engineering.

### Parent-Teacher Meeting Conducted for B.Tech II Year Students

The Department of Mechanical Engineering at Narsimha Reddy Engineering College conducted a Parent-Teacher Meeting for B.Tech II Year students on 26th November 2025. The meeting focused on discussing academic progress, attendance, and overall development, strengthening coordination between parents and faculty for students' success.

## DEPARTMENT OF ME

### Best Faculty Award – A Moment of Pride

Best Faculty Award Narsimha Reddy Engineering College proudly congratulates our esteemed faculty member on receiving the Best Faculty Award. She was honored with a memento and certificate in recognition of her dedication, innovative teaching methods, and commitment to student success. This achievement reflects the institution's strong academic values and commitment to excellence in education.

### NPTEL Certification Achievement – Department of Mechanical Engineering

The Department of Mechanical Engineering congratulates Daravath Praveen (24X05A0305), Shaik Reena (24X05A0324), and J. Gnaneshwar (24X05A0309) for successfully earning NPTEL certification in Manufacturing Process – Casting and Joining (July–December 2025). Under the guidance of Dr. D. Simhana Devi, HoD–ME, the department continues to promote academic excellence and advanced technical learning opportunities.

### Textbook Published – A Proud Achievement

Narsimha Reddy Engineering College proudly congratulates Dr. D. Simhana Devi on the publication of the textbook Introduction to Research Methodology, co-authored with Prof. D. Venkata Vara Prasad. This remarkable achievement reflects her dedication to academic excellence and research advancement. The institution appreciates her valuable contribution to higher education and scholarly development.

## NPTEL Elite Achievers – A Proud Milestone for NRCM

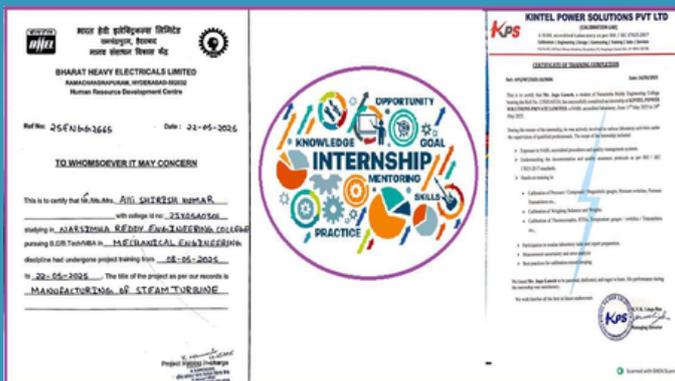

Narsimha Reddy Engineering College proudly celebrates the outstanding achievement of its students and faculty in earning NPTEL Elite certifications. This accomplishment reflects their dedication, academic excellence, and commitment to continuous learning. Through diverse courses in programming, cloud computing, leadership, and industry skills, participants have enhanced their knowledge and strengthened the institution's reputation for quality technical education and innovation leadership nationwide.

## Certificate of Participation – Emerging Research Paradigms

Faculty members of Lords Institute of Engineering and Technology received Certificates of Participation for the session on Emerging Research Paradigms, showcasing their dedication to research and innovation.

## Internship Completion – Industrial Training Achievement

A student from Narsimha Reddy Engineering College successfully completed an industrial internship at Bharat Heavy Electricals Limited and Kintel Power Solutions Pvt Ltd. The training, focused on manufacturing and steam turbine systems, provided valuable hands-on experience, enhancing technical knowledge, practical skills, and industry exposure in mechanical engineering.

## Freshers Party “LA FIESTA”

The Department of MBA, NRCM organized the Freshers Party “LA FIESTA” on 13th December 2025, warmly welcoming the new MBA batch in a vibrant and celebratory atmosphere. The event was graced by Chief Guest Ms. Manjula Rao Jupally, Founder & Chairman, SMS Group, along with esteemed special invitees. Guided by Dr. P. Nagaraja, HoD – MBA, the program fostered interaction, unity, and a memorable beginning to the students’ academic journey.

## Industrial Visit to Parle-G

The Department of MBA, NRCM organized an Industrial Visit to Parle-G, Saidabad, Hyderabad, on 20th November 2025 at 09:30 AM. The visit provided students with practical exposure to manufacturing processes, quality control, and operational management in a leading FMCG organization. Conducted under the guidance of Dr. P. Nagaraja, HoD – MBA, the visit enriched students’ industry knowledge and real-world understanding.

## Boot Camp Session on “Mastering Soft Skills: The Key to Professional Success”

The Department of MBA, NRCM conducted a Boot Camp Session on “Mastering Soft Skills: The Key to Professional Success” on 23rd October 2025 at the MT Block Seminar Hall. The session was delivered by Ms. Nasarat Tabasum, Soft Skill Trainer, CDC–NRCM, focusing on communication, professionalism, and workplace readiness. The program helped students enhance essential soft skills for career success.

# PLACEMENTS

## SHAHGARON Placements

10 students from the ECE, Civil, Mechanical, and EEE departments (Batch 2026) have been successfully selected in the SHAHGARON On-Campus Drive with a CTC of ₹3.6 LPA.

This achievement reflects their dedication and technical excellence. We thank the Management, Director, Principal, Deans, HoDs, and the CDC Team for their continuous support. NRCM remains committed to delivering excellent placement opportunities and shaping successful careers.

## Finishing School for Employability Program

In collaboration with Infosys Foundation and ICT Academy, the Finishing School for Employability Program was inaugurated on 14th July 2025 at the campus. The program aims to enhance students' employability skills and bridge the gap between academic learning and industry expectations.

The inauguration was graced by senior leadership and ICT Academy representatives. The initiative focuses on communication skills, aptitude, interview preparation, and industry-relevant technical training, preparing students to meet the demands of the competitive job market.

## ZENTREE LABS On-Campus Drive

A total of 10 students have been successfully placed in ZENTREE LABS for the 2025–26 academic year, securing an impressive CTC of ₹4.5 LPA through the campus placement drive.
